

COMMANDO² 40^{PRO}

HIGH PERFORMANCE ALL-PNEUMATIC DRY ICE BLASTER

The **COMMANDO® 40 PRO** All Pneumatic Dry Ice Blasting Machine is a portable dry ice blasting workhorse requiring only compressed air for operation. Built to tackle tough industrial cleaning applications, it provides an efficient method to clean a wide variety of surfaces using dry ice pellets.

- **Functions with standard shop air** (with a 1" air supply line)
- Removable spun **stainless steel hopper** with the BlitzFeed™ patented freezeless dry ice delivery system for reliable ice delivery
- Ideal for many **industrial and heavy duty applications** requiring more blasting power
 - Cleaning of spatter, slag and grease from welding fixtures & automation equipment
 - Removing grease and grime from production equipment
- **High blasting velocity** with integrated blast pressure adjustment
- Recommended for industrial cleaning and cleaning professionals requiring a **lightweight and portable** machine
- Industry **low cost** of ownership
