## FALL LAWN & LANDSCAPING

Fall is here, and that means it's time for cool weather! Now is a perfect time to do some landscaping touch ups before it gets too cold outside.

We encourage homeowners to pull weeds, trim bushes and shrubs, and replace mulch in flowerbeds. These tasks will surely get your home looking great for fall!

## HURRICANE SEASON TIPS

Even though summer is over, hurricane season extends until the end of November, so we want all our residents to be prepared for any hurricanes or severe storms that may occur.

Below are some helpful preparedness tips for hurricane season:

- Have an evacuation plan: Where will you go and how will you get there? Know what essentials you will need to pack
- Designate a small, interior, windowless room in the house to shelter yourself in case of emergency
- Gather emergency supplies: food, water, medicine, flashlights, batteries, etc.
- Secure items outside in case of strong winds
- To prepare for flooding, stockpile sandbags and clean out drains, gutters, and downspouts
