Current Rule or By-Law: Article IX - Contest Host

Location and host for the PPAACC Finals events shall be determined by the
PPAACC Executive Board based on suitability and availability.

Proposal: Location for Finals events be returned to the lottery format, and selected
via the rules set forth in the lottery selection process as previously established.

Rationale: PPAACC already has a policy in place to assure suitability of
of location and venues. Returning the finals to the lottery process offers greater
opportunity ("odds") for fundraising prospect for our member units.

Fiscal Impact: Increased possible revenue to member units.
Possible lower revenue to PPAACC.
