

Please provide the following information using clear and legible writing.

Name of independent organization: _____

Name of participant: _____

Name of attending high school: _____

To whom it may concern:

In order to maintain the consistency of our high school programs, Pep & Pageantry Arts Association of Central California requires all high school students to obtain consent in order to participate in an independent organization competing within our circuit. We strive to provide our members with an ethical and fair environment in which every high school is provided with equal opportunities to build their programs.

We understand that there are some circumstance by which students are not able to participate in the program at their attending school, but we do require approval from the school site **program director** or the **high school principal** in order to make this exception.

We intend for each participant to remain in good standing with their high school programs as they are a reflection of the school they attend. Please complete the bottom portion of this form and return it to the student if you agree to allow this student to participate in the independent program listed above.

I, _____, understand that the student listed above is participating in an independent organization and I give consent for this student to participate for the 2019 season.
