Proposal: Eligibility 1.2- add the word independent, and change the month to April

Remove Equipment 4.1 and then renumber the remaining. Current 4.2 add the words

"all sampled material must be triggered in real time" Add to 4.7 dry ice, drones, glass, and

hover boards. Add new 4.10, once they are moved up rule about being 6 ft high in the air.

Rationale: All these changes will align with WGI rules for percussion.
