

# **GOLD RUSH RODEO**

**IDAHO CITY CHAMBER OF COMMERCE**

**Dear Community Partner,**

**The Idaho City Chamber of Commerce is excited to introduce the Gold Rush Rodeo, a brand-new event coming to Idaho City.**

**While this rodeo is new to our town, rodeo itself is not. Idaho City already supports a successful rodeo that brings in strong crowds year after year, and that tells us something important our community shows up for rodeo. The Gold Rush Rodeo is designed to build on that proven interest while offering a fresh, family-friendly experience that celebrates our western roots.**

**This event is about more than a night of rodeo. It's about bringing people into town, supporting local businesses, and creating something new we can all be proud of. Sponsorship gives your business a chance to be part of the very first Gold Rush Rodeo while gaining visibility and showing your support for Idaho City.**

**We'd love for you to take a look at the sponsorship opportunities included and consider partnering with us. Your support helps make this event possible, and we'd be honored to have you involved from the start.**

**Thank you for supporting Idaho City and the events that bring our community together.**

**Warm regards,**

**Carter Elliott**
