Starbucks at Casa Monica Resort & Spa
Saint Augustine, Florida.

Completing the Starbucks project at Casa Monica Resort on budget and schedule demonstrates the successful execution of the initiative. The investment of \$420,000 underscores the commitment of the resort to continuously enhance its offerings and provide a superior experience for its guests. The addition of a Starbucks location within the resort serves as an attractive amenity, further solidifying the resort's appeal and positioning it as a desirable destination for coffee enthusiasts and leisure travelers.
