### Ohio revised Code

#### Section 1307.103 | Relation of Chapter 1307

(A) Sections 1307 101 to 1307.603 of the Revised Code are subject to any **treaty** or **statute of the United States** or regulatory statute of this state to the extent the **treaty**, **statute**, or **regulatory** statute is applicable.

-----

**This action is taken in accordance with** THE CODE OF LAWS OF THE UNITED STATES OF AMERICA, OF A GENERAL AND PERMANENT CHARACTER, in force January 3 , 1935 **TITLE 22:** Foreign Relations and Intercourse **Chapter 2:** Consular Courts **Section 141:** Judicial authority generally. To carry into full effect the **provisions of the treaties** of the United States **AA222141**

**General Jurisdiction in Civil cases:** AA Title 22 Chapter 2 Section 143 - **AA222143:** Such officers ae also vested with all the judicial authority necessary to execute the provisions of such treaties, respectively in regard to **civil rights;** whether of **property of person:** and they shall entertain jurisdiction in matters of contract, at the port where, or nearest to which the damage complained of was sustained, provided such port be one of the ports at which the **United States** are **represented by consuls.** **Such jurisdiction shall embrace all controversies between citizens of the United States or other, provided for by such treaties, respectfully.**

### Article VI

All Debts contracted and Engagements entered into, before the Adoption of this Constitution, shall be as valid against the United States under this Constitution, as under the Confederation. This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and **all Treaties made, or which shall be made,** under the Authority of the United States, shall be the **supreme Law of the Land;** and the **Judges in every State shall be bound thereby,** any Thing in the Constitution or Laws of any State to the Contrary **notwithstanding.**

The Senators and Representatives before mentioned, and the Members of the several State Legislatures, and all executive and judicial Officers, both of the United States and of the several States, shall be bound by Oath or Affirmation, to support this Constitution; but no religious Test shall ever be required as a Qualification to any Office or public Trust under the United States.

**Treaty of Marrakesh 1786 / Treaty of Peace and Friendship of 1787** is the Law of the Land just as the Constitution and is binding on ALL the judges of every State.

**Muur/Moors** are NOT citizens of the Union states Society, but are the People of the Continental United States, being PART and PARCEL of the government to which the Union of States are obligated. The Constitutions of the Two Nations, in conjunction with Treaties, are the **SUPREME LAW OF THE LAND**.

Where provisions are not made to address **Foreign Relations and Intercourse** in a Consular Court, **as prescribed by law**, then no jurisdiction exists! A Court of General Sessions, Congressionally sanctioned, in accord with the **National Constitutions and Treaties**, with Consulars and officials representing both nations/nationals, present and **In Propria Persona**, would be a proper jurisdiction. ALL parties would operate by **de jure** Constitutional and Treaty law.

If there is no proper jurisdiction or venue, then no lawful or legal trial can be held, therefore, all rights revert back to the People (**Self-government with Sovereign Authority**). **AA222141**

When government officials supersede their jurisdiction, or deny lawful due process, redress, recourse and remedy. "At Law", then you're the criminals, and are traitors to the Constitution and Treaty to which you are bound by Law and **from whence you derive an Authority at all! - Zodiac Constitution**

**CIVIL REMEDIES; PRESERVATION:** The omission to specify or affirm in this Code any liability to damages, penalty, forfeiture, or other remedy imposed by law and allowed to be recovered or enforced in any civil action or proceeding, for any act or omission declared punishable herein, does not affect any right to recover or enforce the same.

I, **Nature El Bey**, the Undersigned, Moorish American, In Propria Persona do solemnly swear, declare, and depose:

1. THAT I am competent to state to the matters set forth herein.
2. THAT I have personal knowledge of the facts stated herein.
3. THAT all the facts stated herein are true, correct, and certain, admissible as evidence, and if called upon as a witness, I will testify to their veracity.
4. THAT the eternal, unchanged principles of Commercial Law are:
  - a) A workman is worthy of his hire. (thou shalt not steal)
  - b) All are equal under the law. (no one is above the law)
  - c) In Commerce, truth is sovereign. (thou shalt not bear false witness)
  - d) Truth is expressed in the form of an affidavit.
  - e) An un rebutted affidavit stands as truth in Commerce.
  - f) An un rebutted affidavit becomes the judgment in Commerce.
  - g) All matters must be expressed to be resolved.
  - h) He who leaves the battlefield first loses by default.
  - i) Sacrifice is the measure of credibility (no willingness to sacrifice = no liability, responsibility, authority or measure of conviction)
  - j) A lien or claim can be satisfied only through an affidavit by a point-for-point rebuttal, resolution by jury or payment.
5. THAT Commercial processes (including this Affidavit and the required responses to it) ARE NON- JUDICIAL and pre-judicial because:
  - a) No judge, court, government or any agencies thereof, or any other third parties whatsoever, can abrogate anyone's affidavit of

truth; and

- b) Only a party affected by an affidavit can speak and act for himself and is solely responsible for responding with his own affidavit of truth, which no one else can do for him.
6. THAT the lawful seizure, collection, and transfer of ownership of money or property must be effected by a valid Commercial Lien which must contain certain elements in order to be Commercially valid, to wit:
    - a) The lien instrument must obviously, patently, and evidently be a LIEN by being clearly and explicitly titled "LIEN," "CLAIM OF LIEN," or "DECLARATION OF LIEN," and mandatorily, by its exhaustive Commercial content (full disclosure) as follows in b), c) and d);
    - b) The lien instrument **MUST CONTAIN** a notarized hand-signed affidavit, for which the issuer is commercially liable, containing a plain statement of fact disclosing how the obligation of the lien was created, attesting that the commercial condition is true, correct, and certain;
    - c) The lien instrument **MUST CONTAIN** a ledger or bookkeeping statement connecting purchases, services rendered, and/or injuries sustained, with a claim of obligation such that each purchase, service, and/or injury is presented in a one-to-one correspondence with its partial claim of obligation.  
The partial obligations are then totalled to obtain the total obligation. This is called a "True Bill in Commerce."
    - d) The lien instrument **MUST CONTAIN** a statement, either specific or general, of the property being seized from the lien debtor to satisfy, or to guarantee satisfaction of, the obligation of the lien.
    - e) A **NOTICE OF LIEN** to be valid **MUST CONTAIN** a clear statement as to where the lien is filed, where it can be found and how a copy can be obtained.
  7. THAT I am not the **creation** or **chattel property** of any person or any government agency whatsoever. I am not under any obligation whatsoever to any governmental agency, state or federal, or any of their self- passed laws, statutes, regulations or policies.
  8. THAT any and all of the various papers, documents, adhesion contracts, or "agreements" I may have signed with any government agency or entity or any others that might be construed to indicate a conclusion contrary to my herein-below assertions were made, signed by me on the basis of mistake due to lack of full disclosure creating a deliberate lack of full knowledge, a deliberate action of fraud, non-disclosure, concealment of material fact, and misrepresentation. Such action thereby creates a stressful situation of duress and intimidation, vitiating all documents by such action of fraud.
  9. THAT it is the sincerest belief, religious and spiritual conviction of this Affiant that slavery and peonage are immoral, are violations of the First Precept of Commercial Law (**a workman is worthy of his hire, "Thou shalt not steal"**), that fraud, misrepresentation, nondisclosure, intimidation, deceit, concealment of material fact, lying, and treachery are morally wrong.
  10. THAT I have absolutely no desire whatsoever to be a "client" (slave) of any governmental agency, state or federal, or any of their Principals, or the "United States," or to incur any debts or obligations to said entities for whatever "benefits" said entities might purpose to provide or seek to provide to this Affiant, or be directed by, subject to, or accountable to any parties other than my own conscience and best judgement for the purpose of preserving inviolate my unalienable/inalienable rights to life, liberty, freedom and property while engaging in the honorable, productive, and non-harmful activities of my life.
  11. THAT I, Nature El Bey, am the sole and absolute owner of myself, my body, and my estate, and possess unconditional, allodial, sovereign title thereto, and that I abjure, renounce, forsake, and disavow utterly and absolutely now and forever all presumptions of power, authority, or right by any governmental agency, its Principals, over the rights, life, liberty, freedom or property of this Affiant from whatever source presumed or derived.

PUBLIC HAZARD BONDING OF CORPORATE AGENTS All officials are required by federal, state, and municipal law to provide the name, address and telephone number of their public hazard and malpractice bonding company and the policy number of the bond and, if required, a copy of the policy describing the bonding coverage

of their specific job performance. Failure to provide this information constitutes corporate and limited liability insurance fraud (15 USC) and is prim-a-facie evidence and grounds to impose a lien upon the official personally to secure their public oath and service of office.

Kyle Stone invoked Gerard T. Yost acting as ASSISTANT PROSECUTOR for the STARK COUNTY PROSECUTOR OFFICE, to send me a delinquent tax notice, threatening me with the continuance of "FORECLOSURE" of above stated land through the STARK COUNTY COMMON PLEAS, if payment wasn't made within 30 days. Alan Harold acting as AUDITOR for the STARK COUNTY AUDITOR, promoted said alleged "delinquent tax" and "FORECLOSURE" of said land to the public, on COUNTY AUDITOR website, soliciting my land to be sold to whomever is willing to pay unlawful delinquent "TAX". **October 11<sup>th</sup>, 2024**, Alexander Zumbar dba STARK COUNTY TREASURER acting as "PLAINTIFF" and Kyle Stone dba STARK COUNTY PROSECUTOR submitted and filed a "COMPLAINT FOR FORECLOSURE" under Libel/case no. 2024CV01949, with the STARK COUNTY COURT OF COMMON PLEAS. Within said filing, the above parties intentionally added my kindred – "previous owner", Gennie V. Campbell, as an owner, making her attached to the fraudulent liability in this matter, when in fact, "she is not", the property was sold to my estate: MUUR HILL FAMILY TRUST in May 2019 as demonstrated in (EXHIBIT M). The above parties also added multiple others, with the [SURNAME JACKSON] as "DEFENDANTS", to whom I have no knowledge of who they are. The above stated property, upon the death of "Laura Jean Jackson aka Laura J. Jackson", "Gennie V. Campbell" became owner of said property.

Also, in said "FORECLOSURE COMPLAINT" Judicial Report Schedule B 4. stated that a "Federal Tax Lien" in the amount of \$43,523.19 against "James P. & Florence Jackson", recorded with the STARK COUNTY, Ohio Imaging Records and that (prior owner – unable to determine if it applies to this property). Also, that a "Federal Tax Lien" in the amount of \$5,625.75 against "James Jackson, Jr.", recorded with the STARK COUNTY, Ohio Imaging Records and that (prior owner – unable to determine if it applies to this property). See (EXHIBIT M)

**ALEXANDER A. ZUMBAR dba STARK COUNTY TREASURER** without my prior knowledge or consent, has exposed a blood relative of mine "Death Certificate" to UNKNOWN persons, in an attempt to identify lineal kinship between: [SURNAME: "JACKSON"]; aiming to **attach their liability** owed on the above stated - "Federal Tax Lien" recorded at **RICK CAMPBELL, STARK COUNTY RECORDER OFFICE** to "my" land/property. ALEXANDER A. ZUMBAR is aiming to execute a collection of debt through a lien established by the Department of the Treasury – Internal Revenue Service in favor of the United states on all property and rights to property belonging to **JAMES JACKSON, JR., JAMES P. JACKSON, FLORENCE JACKSON**, through the unlawful attachment of said "liability", to "my" property / land. My kindred: mother, Gennie V. Campbell has been unlawfully attached as a "DEFENDANT" in this matter, making her potentially liable for "OTHERS" liability, but concurrently causing damages to her and mine estate, reputation and honor.

This is a CLEAR aim, by the above stated parties, to obtain a "DEFAULT JUDGMENT", by way of "OTHER" – [SURNAME JACKSONS] etc. parties FAILING or NOT complying with or making a special appearance in this matter. Let it be stated that I do not know who "ANY OTHER" individual are that is listed as "DEFENDANT", other than Gennie V. Campbell, who should not have been involved, in any manner or in any way, from its inception.

No commercial paperwork or commercial affidavit with a "WET INK" signature have been furnished or supplied to me, Nature El Bey, by Alexander Zumbar, Kyle Stone, Gerard T. Yost, Alan Horold and any other that created the so-called liability. This is a very

blatant aim of dispossessing me and my band from my land and territory without my **free, prior and informed consent** and **without just and fair compensation with the option to return**. Alan Harold, Alexander Zumar and others rivaled my Preservation of Right to treaties, agreements, and other constructive arrangements and has failed to provide land and territory recognition and demarcation process that gives due recognition to indigenous peoples' laws, traditions, customs, and land tenure systems. All parties are guilty of attempting to re-convert indigenous land and Estates, that has been re-Venue in perpetuity as assets belonging to the natural heirs and beneficiaries, for someone else use and benefit. **THIS IS CLEAR FRAUD!!!**

Kyle Stone dba STARK COUNTY PROSECUTOR OFFICE, Gerard T. Yost dba ASSISTANT PROSECUTOR, Alan Harold dba STARK COUNTY AUDITOR, and Alexander Zumar dba STARK COUNTY TREASURER are ALL **impersonating Officers** or in **dereliction of duty**, as they intentionally refused and failed to produce a bond which is required by the State of Ohio before the discharge of their official duties.

These actions have caused damage to my ESTATE/(E)states: MUUR HILL SEVEN, NATURE EL BEY TRUSTEE OF THE REVOCABLE LIVING TRUST; MUUR HILL SEVEN TRUST; MUUR HILL SEVEN, MUUR HILL SEVEN FAMILY TRUST; in any all variations.

I, Nature El Bey, a Moorish American National in Propria Persona Sui Juris and I am exercising all of my rights at this time and at all times, as an ancient aboriginal indigenous divine natural living Being. The constitutions of the several states and of this state, as a requirement of being part of the Union, must by law establish, support and maintain a **“republican form of government”** all of these states under the United States are republics and remain in harmony with the national Constitution. This is basic to the state’s political capacities to be accepted into the United States political United States as a member state of the Union. **No state constitution** can be at variance with or being conflict with **federal national Constitution** being the **“supreme law” of the land** or of and for the United States of North America. The Constitution is the **“supreme law of the land”**. This is to preserve the integrity of the people's freedom and liberties with the anciently descended spirit “of preserving” justice. The Constitution for the United States Republic sets the tone, the guidelines, and the spirit for all de jure and legitimate laws and legislation. Thus, the Constitution is the **supreme national political Covenant and binding contract between the people and the rightfully sanctioned government which is in place for securing the in alienable rights of the people**. For under our republican form of government, the people sanction to be governed by the Constitution. Prescribed and written jurisdictional authority authorizations, delegation of authority orders, DOAO are thusly, and actually conditional and restricting licenses issued by the people through the constitutional limitations. NO bound conditions and restrictions. This constitutes the limited authorities granted from the people to those chosen persons in government by virtue of its Republican form and structure. Promotion of ignorance. **See Article 4, Section 4.** Upon these foresaid lawful documents, DOAO, the elected officers, and officials are bound to act and to carry out their specified and limited fiduciary duties. This consciousness about obligations and duties should allay any claims about false or misunderstandings to and distinctiveness the officers the specified delegations clearly described. Certain limited powers and authorities under designated departments made will lay any claims of faults to indistinctness. It clearly delegates certain limited powers and authority under designated departments of government outside of the foresaid limited delegated powers, authorities and jurisdictions and organized government has no lawful, ethical or rightful reason to exist. A government that does not rightfully nor lawfully represent and serve the people has no **authority nor right to tax the people**. An office is an assigned or delegated position, duty, or function specified within a structured social order, order, body politic, or government, with synonyms being appointment place. Post position situation etcetera. Thus, an office commonly suggests a position of public trust of duty or of authority officer is an incumbent of an office or one who is “lawfully” and by prescribed constitutional matter elected to or invested with an office, one who is charged by a superior power, particularly by government, with the authority and specified duty of exercising certain functions within that said social order or government. If persons holding public office or seats of government supersede or act outside of the designated parameters of the written Constitution contract and or violate the limited delegated powers described by their particular office and department to which they are oathbound, then criminality is their charge. The people become LAX or passive in their neglect of preserving the Republic. Then corruption can be expected to run rampant and prove to be detrimental to the people. That same limit delegated sovereign authority of the government

when people did dedicate to the service of the people if abused. What could and is often turned against them like a foreign enemy or foreign jurisdictional tyranny. This is why the delegation of authority orders DOAO to be deemed an important documented part of all and any "legitimate government" violations made against these "right protecting governmental principles" becomes evident when one reads the Constitution. It will reveal where and why the monopoly "party politicians" have been self-centered, wishy washy, getting rich at the people's expense unchecked. The politicians are wantonly doing whatever they please in contradiction to the people and at variance to the constitution. This is why the supreme law is in place to protect the people.

And it is agreed that all prisoners shall be exchanged in twelve months from the time of their being taken, and that this exchange may be effected by a merchant or any other person authorized by either of the parties.

How crimes shall be punished.

## ARTICLE XXII.

If an American citizen shall die in our country, and no will shall appear, the consul shall take possession of his effects; and if there shall be no consul, the effects shall be deposited in the hands of some person worthy of trust, until the party shall appear who has a right to demand them; but if the heir to the person deceased be present, the property shall be delivered to him without interruption; and if a will shall appear, the property shall descend agreeable to that will as soon as the consul shall declare the validity thereof.

If any differences shall arise by either party infringing on any of the articles of this treaty, peace and harmony shall remain notwithstanding, in the fullest force, until a friendly application shall be made for an arrangement, and until that application shall be rejected, no appeal shall be made to arms. And if a war shall break out between the parties, nine months shall be granted to all the subjects of both parties, to dispose of their effects and retire with their property. And it is further declared, that whatever indulgences, in trade or otherwise, shall be granted to any of the Christian Powers, the citizens of the United States shall be equally entitled to them.

## ARTICLE XXV

This treaty shall continue in full force, with the help of God, for fifty years.

We have delivered this book into the hands of the beforementioned Thomas Barclay, on the first day of the blessed month of Ramadan, in the year one thousand two hundred.

THOMAS BARCLAY.

## ADDITIONAL ARTICLE.

Vessels of  
U. S. to be pro-  
tected.

Grace to the only God.

I, the under-written, the servant of God, Taher Ben Abdelkack Fennish, do certify, that His Imperial Majesty, my master, (whom God preserve,) having concluded a treaty of peace and commerce with the United States of America, has ordered me, the better to compleat it, and in addition of the tenth article of the treaty, to declare, "That if any vessel belonging to the United States, shall be in any of the ports of his Majesty's dominions, or within gun-shot of his forts, she shall be protected as much as possible; and no vessel whatever, belonging either to Moorish or Christian Powers, with whom the United States may be at war, shall be permitted to follow or engage her, as we now deem the citizens of America our good friends."

And, in obedience to his Majesty's commands, I certify this declaration, by putting my hand and seal to it, on the eighteenth day of Ramadan,<sup>(a)</sup> in the year one thousand two hundred.

The servant of the King, my master, whom God preserve,

TAHER BEN ABDELKACK FENNISH.

I do certify that the above is a true copy of the translation made at Morocco, by Isaac Cordoza Nunez, interpreter, of a declaration made and signed by Sidi Hage Taher Fennish, in addition to the treaty between the Emperor of Morocco and the United States of America, which declaration the said Taher Fennish made by the express directions of his Majesty.

THOMAS BARCLAY.

<sup>(a)</sup> The Ramadan of the year of the Hegira 1200, commenced on the 23th June, in the year of our Lord 1786.

Now, KNOW YE, That we, the said John Adams and Thomas Jefferson, Ministers Plenipotentiary aforesaid, do approve and conclude the said treaty, and every article and clause therein contained, reserving the same nevertheless to the United States in Congress assembled, for their final ratification.

In testimony whereof, we have signed the same with our names and seals, at the places of our respective residence, and at the dates expressed under our signatures respectively.

Such provisional measures shall be without prejudice to the rights, claims, or position of the parties concerned. The Security Council shall duly take account of failure to comply with such provisional measures.

Recognizing the urgent need to respect and promote the inherent rights of indigenous peoples which derive from their political, economic and social structures and from their cultures, spiritual traditions, histories and philosophies, especially their rights to their lands, territories and resources,

Recognizing also the urgent need to respect and promote the rights of indigenous peoples affirmed in treaties, agreements and other constructive arrangements with States,

Recognizing that respect for indigenous knowledge, cultures and traditional practices contributes to sustainable and equitable development and proper management of the environment,

Emphasizing the contribution of the demilitarization of the lands and territories of indigenous peoples to peace, economic and social progress and development, understanding and friendly relations among nations and peoples of the world,

Recognizing in particular the right of indigenous families and communities to retain shared responsibility for the upbringing, training, education and well-being of their children, consistent with the rights of the child,

Considering that the rights affirmed in treaties, agreements and other constructive arrangements between States and indigenous peoples are, in some situations, matters of international concern, interest, responsibility and character,

Considering also that treaties, agreements and other constructive arrangements, and the relationship they represent, are the basis for a strengthened partnership between indigenous peoples and States,

Acknowledging that the Charter of the United Nations, the International Covenant on Economic, Social and Cultural Rights and the International Covenant on Civil and Political Rights, as well as the Vienna Declaration and Programme of Action, affirm the fundamental importance of the right to self-determination of all peoples, by virtue of which they freely determine their political status and freely pursue their economic, social and cultural development,

Bearing in mind that nothing in this Declaration may be used to deny any peoples their right to self-determination, exercised in conformity with international law,

Convinced that the recognition of the rights of indigenous peoples in this Declaration will enhance harmonious and cooperative relations between the State and indigenous peoples, based on principles of justice, democracy, respect for human rights, non-discrimination and good faith,

Encouraging States to comply with and effectively implement all their obligations as they apply to indigenous peoples under international instruments, in particular those related to human rights, in consultation and cooperation with the peoples concerned,

Emphasizing that the United Nations has an important and continuing role to play in promoting and protecting the rights of indigenous peoples,

Believing that this Declaration is a further important step forward for the recognition, promotion and protection of the rights and freedoms of indigenous peoples and in the development of relevant activities of the United Nations system in this field,

Recognizing and reaffirming that indigenous individuals are entitled without discrimination to all human rights recognized in international law, and that indigenous peoples possess collective rights which are indispensable for their existence, well-being and integral development as peoples,

Recognizing that the situation of indigenous peoples varies from region to region and from country to country and that the significance of national and regional particularities and various historical and cultural backgrounds should be taken into consideration,
