The "Law of Mother Country" is a legal principle frequently invoked by Indigenous Mu'ur American Nationals, such as Nature El Bey and public officials, such as Kyle Stone and Gerard T Yost, who asserts a distinct jurisdictional framework and challenge the authority of Constitution and Treaty law.

Definition and Application

The "Law of Mother Country" is presented as a general rule of evidence that courts will take judicial notice of the law of a country from which the state of the forum was formed.

This means that laws of the mother country that were in existence at the time of the separation will be judicially noticed.

A specific example provided is that in California, the Mexican civil law and the acts of the Mexican Government are judicially noticed by the courts.

Context in Moorish American Claims

In the context of Moorish American claims, this principle is crucial for establishing competent jurisdiction and asserting their sovereignty and land rights based on ancient lineages and historical precedents.

Nature El Bey, for instance, asserts his inherited status as a descendant of "The Ancient Moabites, also known as American – Al Moroccan – Moor". This lineage is tied to a vast historical and geographical scope, including the "Original Moorish Empire," which is claimed to have encompassed more than three-quarters of the Earth.

The "Law of Mother Country" supports the argument that the laws and principles of this ancient Moorish Empire, as the "mother country" of the American continent (referred to as Washitaw de Dugdahmoundyah or Al Morocco/America), should be recognized and judicially noticed by contemporary courts.

This contrasts with the conventional understanding that the land is England's, instead asserting that it is the autochthonous land of the Moors, who established civilizations and governments thousands of years before colonizers arrived.

Relationship to Other Legal Concepts

The "Law of Mother Country" is used in conjunction with several other legal and philosophical principles to bolster claims of sovereignty and jurisdiction:

Common Law vs. Statutory Law: It is asserted that the state government did not create the common law, so it has no authority to abolish it, unless people allow themselves to be tricked into putting common law under statutory law. The "Law of Mother Country" reinforces the idea of fundamental, pre-existing laws that supersede later statutory enactments. Common Law is highly regarded as protecting individual liberty, with the declaration that "one who interferes with another's liberty does so at his peril".

Due Process of Law: This principle is invoked to argue against arbitrary governmental activity, stating that "due process, or the law of the land, is to act a shield against arbitrary activity of government". It is derived from "settled usages and modes of proceedings existing in the common and statute law of England before the emigration of our ancestors". The "law of the land" refers to law already established, meaning no one could be arrested except by the established common law.

Treaty Supremacy: Treaties, such as the Treaty of Peace and Friendship (Marrakesh 1786/1836), are declared the "Supreme Law of the Land" under the U.S. Constitution, Article VI, Section 2, and are considered paramount over state laws and ordinances. This reinforces the idea that an older, foundational body of law (akin to a "mother country's" law) takes precedence.

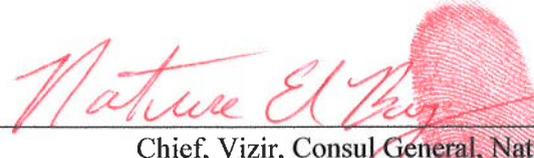

Indigenous Rights and Allodial Dominion: The Moorish American Nationals claim trusteeship, heirship, executorship, administration of, and beneficiary status of all land in the Western Hemisphere as mandated by their "Ancient Aboriginal Pharaonic Ancestors". This "Allodial Dominion" signifies ownership without obligation to any superior. This fundamental right is considered to "lawfully supersede conventional deeds" and existing state actions.

Sovereignty Resides with the People: The overarching philosophy is that sovereignty itself is not subject to law, but is "the author and source of law," and remains with the people, by whom and for whom all government exists and acts. Governmental entities are viewed as "servants" or "legal fictions" with delegated, not inherent, sovereignty.

"Lawful" vs. "Legal": A distinction is made between "lawful" (De Jure) authority, which is inherent and derived from natural law, inherited status, and treaties, and "legal" authority, which is human-made and associated with "Commercial Law" and "legal fictions" of corporate/municipal entities. This distinction supports the idea that the "Law of Mother Country" represents a higher, more fundamental "lawful" authority.

By invoking the "Law of Mother Country," Moorish American Nationals aim to establish that their ancestral legal framework, deeply rooted in their perceived indigenous and historical origins, holds superior authority and demands judicial recognition in contemporary legal disputes, thereby nullifying or overriding conflicting "legal" enactments of the U.S. and state governments.

STATEMENT OF FACTS AND ALLEGATIONS OF UNLAWFUL FORECLOSURE (Libels/Case#: 2024CV01949):

1. This Claim of Lien (Affidavit of Obligation) arises out of a private contract initiated by the Lien Debtors' claims against the Lien Claimant.
2. The Lien Claimant, Nature El Bey, responded to the Lien Debtors with a Commercial Affidavit and subsequently a Notice of Default, enumerating the Lien Claimant's position, proclaiming the Lien Debtors' claims to be in error and criminal. A point-for-point rebuttal and proof of basis for their alleged cause of action were demanded within thirty (28) days, or all action against the Lien Claimant was to abate.
3. The above stated Lien Debtors, failed to respond or rebut the Commercial Affidavit and Notice of Default, thereby admitting and acquiescing to the declarations made by the Lien Claimant.
4. A DEFAULT JUDGMENT was placed against Lynn M. Todaro, Chryssa N. Hartnett, George T. Maier, Kyle Stone, Alexander Zumbar, Gerard T. Yost and Alan C. Harold as of October 28th, 2024, for their failure to provide an official surety bond and Oath of Office as required by Ohio law before entering upon the discharge of official duties.
5. All officials are required by federal, state, and municipal law to provide the name, address, and telephone number of their public hazard and malpractice bonding company and the policy number of the bond. Failure to provide this information constitutes corporate and limited liability insurance fraud (15 USC) and is prima-facie evidence and grounds to impose a lien upon the official personally to secure their public oath and service of office.

6. The Lien Debtors are in violation of numerous Constitutional, Bill of Rights, and Treaty provisions by acting under the color of law by placing an unlawful, fraudulent and fictitious lien on property, invoking and continuing an unlawful foreclosure (Libels/Case#: 2024CV01949) without possessing or disclosing the required surety bond and neglecting to provide lawful jurisdiction and delegation of authority. A foreclosure by a default or summary judgment (non-jury) without a commercial bond is a violation of commercial law.

7. The Lien Debtors' actions, including Alexander Zumar's filing of a Motion for Default Judgment on July 11th, 2025, based on service by publication in the "Alliance Review Newspaper" (May 16, May 23rd, and May 30, 2025), This was a CLEAR ATTEMPT to rival my allodial land title – (heir) and claim: LAWFUL PUBLIC NOTICE - **NOT FOR SALE** December 17th, 2024, document number: LWO00208120, publicized in the Stark County, Canton Repository Newspaper and UCC Financing Statement, LIEN - Ohio Secretary of State - FS Number: OH00284568589, filed December, 24th, 2024, with stated aboriginal property as collateral.

8. The foreclosure complaint (Case no. 2024CV01949) intentionally added unknown parties with federal tax lien liabilities - (e.g., James P. & Florence Jackson, James Jackson Jr. \$43,523.19 and \$5,625.75), who have no kinship or interest in the property, attaching their Federal Tax Lien liability to Nature El Bey's property, sending summons to proceedings, with the CLEAR AIM, to utilize said liability, to unlawfully take possession of property through fraudulent and unlawful vexatious proceedings. This is considered mail fraud (18 U.S.C. § 1341). The use of false and misleading information in these documents vacates the claimant's position to collect.

9. Officials operating without proper commercial bonds lack commercial reality and the power of official signature. Any actions taken infringing on the rights of American State Citizens are criminal acts without exception. Constitutional and Treaty violations:

The STARK COUNTY CLERK of the STARK COUNTY COURT OF COMMON PLEAS, failed to record proof of service on the record for the alleged primary (lien claimant) in the initial foreclosure complaint filed on October 11, 2024. Alexander Zumber's filing of a Motion for Default Judgment on July 11th, 2025, based on service by publication in the "Alliance Review Newspaper" (May 16, May 23rd, and May 30, 2025) 7 months later. I was not given a hearing by the STARK COUNTY COURT OF COMMON PLEAS. Lien Debtors proceeded with an unlawful default or summary judgment, without having public hazard and malpractice surety bond, in repudiation and retaliation of a commercial lien that has been executed against them.

Void Judgments or Orders Exceeding Jurisdiction are judgments or orders issued by a court without a hearing, an opportunity to be heard, or when the court exceeds its inherent jurisdiction. Such judgments are considered void and without legal effect.

1. A foreclosure by default or summary judgment (non-jury) without a commercial bond is a violation of commercial law. Judicial non-jury commercial judgments and orders, originating from a municipal corporation (a limited liability entity), must be reinforced by a Commercial Affidavit and a Commercial Liability Bond.
VIOLATION: 5th Amendment – procedural due process – \$10,000

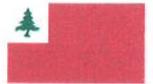

2. **VIOLATION: Article IV, Section 4 (Republican Form of Government):** Harassment of U.S. citizens by controlling agencies [4T, 5S, 6Q, 89F, 90F, 95F, 98F, 101F, 115F, 116F, 121F, 124F, 127F, 294F, 295F, 300F, 303F, 306F]. The U.S. must protect every citizen against personal attacks or attacks on rights [4V, 5U, 7S]. The formation of controlling agencies in violation of the U.S. Constitution is prohibited [4U, 5T, 7R, 89H, 90H, 95H, 98H, 101H, 115H, 116H, 121H, 124H, 127H, 294H, 295H, 300H, 303H, 306H]. - **\$10,000**

3. **VIOLATION: Article I, Section 10, Clause 1 (Impairment of Contracts):** No state shall pass any law impairing the obligations of contracts. - Lien debtors, Acting Under Color of Law/Office, trespass on trust estate: Muur Hill Seven, executed an unlawful, fraudulent and fictitious lien on property, invoking and continuing an unlawful foreclosure (Libels/Case#: 2024CV01949) without possessing or disclosing the required surety bond and neglecting to provide lawful jurisdiction and delegation of authority. - **\$10,000**

4. **VIOLATION: 5TH Amendment – procedural due process:** Denying the opportunity to be heard. **Void Judgments:** A judgment or order issued by a court without hearing the party or giving them an opportunity to be heard is not a judicial determination of rights and is considered void and without legal effect. All proceedings based on a void judgment are also invalid and can be disregarded. - **\$10,000**

5. **VIOLATION: 7TH Amendment -** Infringement upon property rights, such as the right to (trial by jury). – **10,000**

Treaty of Peace and Friendship of 1786 and 1836 (also known as the Treaty of Marrakesh)
Article 22 states that:

- If an American citizen shall die in the country and no will shall appear, the Consul shall take possession of his effects.
- If there shall be no Consul, the effects shall be deposited in the hands of some person worthy of trust, until the party shall appear who has a right to demand them.
- If the Heir to the Person deceased be present, the Property shall be delivered to him without interruption.
- If a Will shall appear, the Property shall descend agreeable to that Will, as soon as the Consul shall declare the Validity thereof.

The above state "public officials" listed as lien debtors:

- a. **Malfeasance of Office:** Public officials who knowingly and willfully violate these rights, especially through criminal conspiracy to defraud individuals of their property without lawful judgment or contracts, are deemed guilty of misconduct in office.
- b. **Treason and Mixed Domestic War:** Such actions by officials are characterized as an "act of TREASON" and an "act of a MIXED DOMESTIC WAR" against the Constitution.

5	Constitutional Violations: multiplied by 10 Lien Debtors	10,000 each July 29th 2025 to August 29th 2025	\$500,000
	Constitutional and FEE Schedule Violations:	Subtotal	\$21,450,000

The property utilized to guarantee the payment of this commercial lien is the operational/commercial bonds of each of the Lien Debtors. If the bond(s) of the Lien Debtors is/are insufficient for coverage, the assets of the Lien Debtor(s) will be utilized as follows: real property, products, proceeds and fixtures, bank and savings accounts, and then their public hazard or surety bond(s) are seized to satisfy any remaining value, except wedding rings, keepsakes, family photographs, diaries, journals, etc., and the property normally exempted in the lien process (includes survival provisions). The specific indigenous land at Parcel 613695 (located near 1215 Arapahoe Rd SE, Massillon, Ohio) is identified as the property being unlawfully solicited for foreclosure.

This is a filing to encumber land, property, real estate, and all commercial transactions by the debtors (all Principals and agents) pursuant to UCC 9-607 (collection and enforcement by secured party), UCC 9-203 (attachment and enforceability of security interest), and UCC 9-609 (secured party's right to take possession after default).

Non-Judicial and Cannot Be Removed by Summary Process: Commercial processes, including this Affidavit and the required responses to it, are NON-JUDICIAL and pre-judicial. No judge, court, government, or any agencies thereof, or any other third parties whatsoever, can abrogate anyone's affidavit of truth. It may not be removed by a summary process, which is too vulnerable to bribery, kickbacks, and fraud of process.

RE: Alodial Land Claim
1010 Sunset Dr. Alliance, Ohio 44601

National Safe Harbor Program UCC § 9-521
whereby Nationals who file written UCC1 claims
can file UCCs in any state.

To: Alexander Zumbar Address: 1010 Sunset Dr. Alliance, Ohio 44601 **Property in Question:** 1010 Sunset Dr. Alliance, Ohio 44601 (specifically the parcel located at this address)

Be it known to all whom it may concern, that the undersigned, a Moorish-American National, hereby issues this Allodial Land Claim and Declaration, asserting paramount, allodial title and challenging any and all inferior claims, including any purported "quit claim deed" or "warranty deed" held or asserted by **Alexander Zumbar**, in his official capacity or otherwise, concerning the property located at: **1010 Sunset Dr. Alliance, Ohio 44601**. This claim is founded upon ancient, inherent, and divinely ordained birthrights, supported by historical treaties, Moorish literature, the concept of the Moorish Vast Estate, and applicable principles of law.

I. Foundation of Allodial Title and Moorish Birthright:

As Moorish-Americans, we declare our nationality based on our descent from Moroccans born in America. We are the indigenous inhabitants of ancient Amexem, known in modern times as Northwest, Southwest, and Central America,

Allodial Land Claim
Instrument number: MPK2025DOL0608

including adjoining islands. These lands are our inherited dominion by heritage and birthright. Our true political status and civil status are determined by this nationality and domicile, not by the limited definitions imposed upon "United States Citizens". The "United States" itself is not the entire "America"; the land is America.

Historically, Europeans are recognized to have stripped us of our Moorish Nationality to sever our connection to our Birthright Inheritance in the Americas. However, Prophet Noble Drew Ali, founder of the Moorish Science Temple of America in 1913 A.D. in Newark, New Jersey, restored knowledge of our Moorish Heritage. He established the Old Canaanite Temple, which emerged as the Moorish Holy Temple of Science, registered as a civic organization. **Prophet Noble Drew Ali attended the Pan American Conference in Havana, Cuba, in 1928, where he received a mandate from the Families of Nations acknowledging the Moors as the rightful owners of these lands, encompassing North, Central, and South America, Canada, Mexico, and all adjoining islands. Since 1913, the Moorish flag has been flying on American (Moroccan) soil.**

An allodial title signifies land held absolutely in one's own right, not beholden to any lord or superior, and free from feudal duties or burdens. It represents an estate held by absolute ownership, without recognizing any superior to whom duty is due. It is the opposite of feudal tenure. Land held by allodial title is not subject to annual tax, and the U.S. government has paramount title only to lands it owns or has an interest in. The administration (government) holds land as a trustee for the people. An allodial title, by definition, implies a superior, unencumbered ownership. We assert our claim to the property at: **1010 Sunset Dr. Alliance, Ohio 44601**, as being non-domestic, non-resident, and non-subject, being the rightful heirs and inheritors of the land of our ancient ancestral inherited estate.

II. The Moorish Vast Estate (The Ultimate Trust):

Moorish-Americans are the beneficiaries of a Vast Estate in an Express Trust created by Prophet Noble Drew Ali in 1928. Prophet Noble Drew Ali recorded the deed on August 1, 1928, and publicly presented the Holy Koran, stating, "Take these and save yourself". He manually passed the legal and equitable titles to the Moors, thereby divesting himself and giving up control, with the legal title vesting in the trustee and equitable interest in the beneficiaries. Chapter 47 of the Holy Koran is considered the deed to the land for Moorish-Americans. The parcel value of our ancestral inherited estate, and thus our allodial title, "cannot be measured".

III. The Treaty of Peace and Friendship (1786/1787/1836) as Supreme Law:

The Treaty of Peace and Friendship between Morocco and the United States, dating back to 1786, 1787, and reaffirmed in 1836, is a cornerstone of our claim. This treaty, with its original articles written in Arabic, confirmed by His Majesty the Emperor of Morocco and sealed with his Royal Seal, is recognized as a "mandate" for European presence and development on these lands. It specifically acknowledged Moors as subjects of the Emperor of Morocco, allied with the United States of America, and protected them from discriminatory acts such as the "Negro Act". The United States paid for the Treaty of Marrakesh.

According to Article VI of the United States Constitution, "Treaties are the Supreme law of the land". The U.S. government, as a member of the United Nations, is also bound by international law, including the UN Declaration on the Rights of Indigenous Peoples (UNDRIP), Article 26, which affirms the rights of indigenous peoples to their traditional lands. The validity and effect of land grants, even historically, depend on the laws, ordinances, and usages prevailing at the time, and it is the court's duty to expound them accordingly.

IV. Challenge to Alexander Zumber and his Deeds under Ohio Law:

Furthermore, any "quit claim deed" or "warranty deed" asserted by **Alexander Zumber** regarding the property at: **1010 Sunset Dr. Alliance, Ohio 44601**, is challenged as subordinate to our inherent allodial title. The U.S. government itself has previously denied interest in certain properties when presented with such claims. Deeds purport to convey property, but allodial title is a higher form of ownership that is not "holden of any lord or superior". An allodial title is free from debt or obligations. The concepts of "claim" in law include a challenge by a person of the propriety or ownership of a thing, which they do not possess but is wrongfully detained from them. The burden of proving title or ownership of real property is upon the party alleging it.

V. Legal Assertions and Demand:

1. Non-Consent to Foreign Jurisdiction: Nothing in this Declaration shall be interpreted as consent to any jurisdiction that is not within the jurisdiction of our ancient ancestral inherited estate at any time. We operate as "Non-Domestic, Non-Resident, Non-Subject" beings.

2. Affidavit of Truth: This Allodial Land Claim, serving as an affidavit, demands rebuttal. According to legal principles, "An Affidavit in which no Response stand as Clear and Evident Fact and shall stand as Truth without Burden of [further] Proof".

3. Notice to Agent is Notice to Principal: All parties involved, are hereby put on "Notice to Agent is Notice to Principal and Notice to Principal is Notice to Agent".

4. Silence as Acquiescence and Fraud: "Silence can only be equated with fraud where there is a legal or moral duty to speak or when an inquiry left unanswered would be intentionally misleading". Your failure to specifically rebut each point contained herein, with particularity, will constitute your lawful, legal, and binding agreement and admission that everything in this notice is true, correct, legal, lawful, and binding upon you in any court of law, without your protest or objection.

5. Challenging Actions: Any action, invoking of a venue, that is outside of an Article III venue, Common Law Jury, in rival or repudiation to this Allodial Land Claim, constitute serious offenses such as Conspiracy Against Rights (18 USC 241), Fraud and False Statements (18 USC 1001), alongside Constitutional and Treaty violations.

6. "Whatever is affixed to the soil belongs to the soil." This fundamental principle underscores the entirety of our claim to the property.

An un rebutted affidavit stands as truth in commerce

Demand:

Alexander Zumber and all agents, employees, and representatives or the authority of the Stark County Treasurer, Auditor, Recorder etc., are given **28 CLEAR DAYS** after the receipt of this Allodial Land Claim, **to rebut – point for point, this "Allodial Land Claim"**, or cease and desist immediately from any and all actions, claims, or assertions of ownership, jurisdiction, or taxation over the aforementioned property at: **1010 Sunset Dr. Alliance, Ohio 44601**. We further demand immediate recognition of the Moorish-American National's paramount allodial title to this land and the cessation of any attempts to transfer, encumber, or otherwise interfere with this rightful inheritance.

BY WHICH YOU ARE BOUND

Ohio revised Code

Section 1307.103 | Relation of Chapter 1307

(A) Sections 1307 101 to 1307.603 of the Revised Code are subject to any **treaty** or **statute of the United States** or regulatory statute of this state to the extent the **treaty, statute, or regulatory** statute is applicable.

This action is taken in accordance with THE CODE OF LAWS OF THE UNITED STATES OF AMERICA, OF A GENERAL AND PERMANENT CHARACTER, in force January 3 , 1935 **TITLE 22: Foreign Relations and Intercourse Chapter 2: Consular Courts Section 141: Judicial authority generally. To carry into full effect the provisions of the treaties of the United States AA222141**

General Jurisdiction in Civil cases: AA Title 22 Chapter 2 Section 143 - AA222143: Such officers ae also vested with all the judicial authority necessary to execute the provisions of such treaties, respectively in regard to **civil rights;** whether of **property of person;** and they shall entertain jurisdiction in matters of contract, at the port where, or nearest to which the damage complained of was sustained, provided such port be one of the ports at which the **United States are represented by consuls. Such jurisdiction shall embrace all controversies between citizens of the United States or other, provided for by such treaties, respectfully.**

Article VI

All Debts contracted and Engagements entered into, before the Adoption of this Constitution, shall be as valid against the United States under this Constitution, as under the Confederation. This Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and **all Treaties made, or which shall be made,** under the Authority of the United States, shall be the **supreme Law of the Land;** and the **Judges in every State shall be bound thereby,** any Thing in the Constitution or Laws of any State to the Contrary **notwithstanding.**

The Senators and Representatives before mentioned, and the Members of the several State Legislatures, and all executive and judicial Officers, both of the United States and of the several States, shall be bound by Oath or Affirmation, to support this Constitution; but no religious Test shall ever be required as a Qualification to any Office or public Trust under the United States.

Treaty of Marrakesh 1786 / Treaty of Peace and Friendship of 1787 is the Law of the Land just as the Constitution and is binding on ALL the judges of every State.

Muur/Moors are NOT citizens of the Union states Society, but are the People of the Continental United States, being PART and PARCEL of the government to which the Union of States are obligated. The Constitutions of the Two Nations, in conjunction with Treaties, are the **SUPREME LAW OF THE LAND**.

Where provisions are not made to address **Foreign Relations and Intercourse** in a Consular Court, **as prescribed by law**, then no jurisdiction exists! A Court of General Sessions, Congressionally sanctioned, in accord with the **National Constitutions and Treaties**, with Consulars and officials representing both nations/nationals, present and **In Propria Persona**, would be a proper jurisdiction. ALL parties would operate by de jure Constitutional and Treaty law.

If there is no proper jurisdiction or venue, then no lawful or legal trial can be held, therefore, all rights revert back to the People (**Self-government with Sovereign Authority**). AA222141

When government officials supersede their jurisdiction, or deny lawful due process, redress, recourse and remedy. "At Law", then you're the criminals, and are traitors to the Constitution and Treaty to which you are bound by Law and **from whence you derive an Authority at all! - Zodiac Constitution**

CIVIL REMEDIES; PRESERVATION: The omission to specify or affirm in this Code any liability to damages, penalty, forfeiture, or other remedy imposed by law and allowed to be recovered or enforced in any civil action or proceeding, for any act or omission declared punishable herein, does not affect any right to recover or enforce the same.

I, **Nature El Bey**, the Undersigned, Moorish American, In Propria Persona do solemnly swear, declare, and depose:

1. THAT I am competent to state to the matters set forth herein.
2. THAT I have personal knowledge of the facts stated herein.
3. THAT all the facts stated herein are true, correct, and certain, admissible as evidence, and if called upon as a witness, I will testify to their veracity.
4. THAT the eternal, unchanged principles of Commercial Law are:
 - a) A workman is worthy of his hire. (thou shalt not steal)
 - b) All are equal under the law. (no one is above the law)
 - c) In Commerce, truth is sovereign. (thou shalt not bear false witness)
 - d) Truth is expressed in the form of an affidavit.
 - e) An un rebutted affidavit stands as truth in Commerce.
 - f) An un rebutted affidavit becomes the judgment in Commerce.
 - g) All matters must be expressed to be resolved.
 - h) He who leaves the battlefield first loses by default.
 - i) Sacrifice is the measure of credibility (no willingness to sacrifice = no liability, responsibility, authority or measure of conviction)
 - j) A lien or claim can be satisfied only through an affidavit by a point-for-point rebuttal, resolution by jury or payment.
5. THAT Commercial processes (including this Affidavit and the required responses to it) ARE NON- JUDICIAL and pre-judicial because:
 - a) No judge, court, government or any agencies thereof, or any other third parties whatsoever, can abrogate anyone's affidavit of

truth; and

- b) Only a party affected by an affidavit can speak and act for himself and is solely responsible for responding with his own affidavit of truth, which no one else can do for him.
6. THAT the lawful seizure, collection, and transfer of ownership of money or property must be effected by a valid Commercial Lien which must contain certain elements in order to be Commercially valid, to wit:
 - a) The lien instrument must obviously, patently, and evidently be a LIEN by being clearly and explicitly titled "LIEN," "CLAIM OF LIEN," or "DECLARATION OF LIEN," and mandatorily, by its exhaustive Commercial content (full disclosure) as follows in b), c) and d);
 - b) The lien instrument MUST CONTAIN a notarized hand-signed affidavit, for which the issuer is commercially liable, containing a plain statement of fact disclosing how the obligation of the lien was created, attesting that the commercial condition is true, correct, and certain;
 - c) The lien instrument MUST CONTAIN a ledger or bookkeeping statement connecting purchases, services rendered, and/or injuries sustained, with a claim of obligation such that each purchase, service, and/or injury is presented in a one-to-one correspondence with its partial claim of obligation.
The partial obligations are then totalled to obtain the total obligation. This is called a "True Bill in Commerce."
 - d) The lien instrument MUST CONTAIN a statement, either specific or general, of the property being seized from the lien debtor to satisfy, or to guarantee satisfaction of, the obligation of the lien.
 - e) A NOTICE OF LIEN to be valid MUST CONTAIN a clear statement as to where the lien is filed, where it can be found and how a copy can be obtained.
 7. THAT I am not the **creation** or **chattel property** of any person or any government agency whatsoever. I am not under any obligation whatsoever to any governmental agency, state or federal, or any of their self- passed laws, statutes, regulations or policies.
 8. THAT any and all of the various papers, documents, adhesion contracts, or "agreements" I may have signed with any government agency or entity or any others that might be construed to indicate a conclusion contrary to my herein-below assertions were made, signed by me on the basis of mistake due to lack of full disclosure creating a deliberate lack of full knowledge, a deliberate action of fraud, non-disclosure, concealment of material fact, and misrepresentation. Such action thereby creates a stressful situation of duress and intimidation, vitiating all documents by such action of fraud.
 9. THAT it is the sincerest belief, religious and spiritual conviction of this Affiant that slavery and peonage are immoral, are violations of the First Precept of Commercial Law (**a workman is worthy of his hire, "Thou shalt not steal"**), that fraud, misrepresentation, nondisclosure, intimidation, deceit, concealment of material fact, lying, and treachery are morally wrong.
 10. THAT I have absolutely no desire whatsoever to be a "client" (slave) of any governmental agency, state or federal, or any of their Principals, or the "United States," or to incur any debts or obligations to said entities for whatever "benefits" said entities might purpose to provide or seek to provide to this Affiant, or be directed by, subject to, or accountable to any parties other than my own conscience and best judgement for the purpose of preserving inviolate my unalienable/inalienable rights to life, liberty, freedom and property while engaging in the honorable, productive, and non-harmful activities of my life.
 11. THAT I, Nature El Bey, am the sole and absolute owner of myself, my body, and my estate, and possess unconditional, allodial, sovereign title thereto, and that I abjure, renounce, forsake, and disavow utterly and absolutely now and forever all presumptions of power, authority, or right by any governmental agency, its Principals, over the rights, life, liberty, freedom or property of this Affiant from whatever source presumed or derived.

PUBLIC HAZARD BONDING OF CORPORATE AGENTS All officials are required by federal, state, and municipal law to provide the name, address and telephone number of their public hazard and malpractice bonding company and the policy number of the bond and, if required, a copy of the policy describing the bonding coverage

of their specific job performance. Failure to provide this information constitutes corporate and limited liability insurance fraud (15 USC) and is prim-a-facie evidence and grounds to impose a lien upon the official personally to secure their public oath and service of office.

ALLEGATIONS

Allegations arise from the conduct of Alexander Zumar acting as Treasurer for the COUNTY OF STARK TREASURER on 6/7/2022 sending me an Delinquent "TAX NOTICE" - TAX LIEN PENDING for: dirt location: Latitude 40.783400 Longitude - 81.503820 Near: presumed [613695] demanding me to pay ESTATE/(E)state "TAX". **On July 12th, 2022, I, Nature El Bey** served Alexander Zumar an Affidavit of Truth – Demand of Discovery and Disclosure via Certified Mail return receipt 7018 1130 0000 3928 8863 rightfully demanding: delegation of authority, surety bond, copies of any original contracts or copies of any endorsed consensual agreements that gave rise to and gave authorization to the current classification status of said indigenous land / property and Oath of Office pursuant to Ohio Public Records Act and FOIA Freedom of Information Act. I stated to Alexander Zumar that he is attempting to collect an unlawful "TAX" on land that he does not own, have jurisdiction over or have "Allodial Title". **NO REPLY OR REBUTTAL August 19, 2024**, Alexander Zumar invoked Kyle Stone of the STARK COUNTY PROSECUTOR OFFICE, with an "FORECLOSURE COMPLAINT" on above stated land. Kyle Stone invoked Gerard T. Yost acting as ASSISTANT PROSECUTOR for the STARK COUNTY PROSECUTOR OFFICE, to send me a delinquent tax notice, threatening me with the continuance of "FORECLOSURE" of above stated land through the STARK COUNTY COMMON PLEAS, if payment wasn't made within 30 days. Alan Harold acting as AUDITOR for the STARK COUNTY AUDITOR, promoted said alleged "delinquent tax" and "FORECLOSURE" of said land to the public, on COUNTY AUDITOR website, soliciting my land to be sold to whomever is willing to pay unlawful delinquent "TAX". **October 11th, 2024**, Alexander Zumar dba STARK COUNTY TREASURER acting as "PLAINTIFF" and Kyle Stone dba STARK COUNTY PROSECUTOR submitted and filed a "COMPLAINT FOR FORECLOSURE" under Libel/case no. 2024CV01949, with the STARK COUNTY COURT OF COMMON PLEAS. Within said filing, the above parties intentionally added my kindred – "previous owner", Gennie V. Campbell, as an owner, making her attached to the fraudulent liability in this matter, when in fact, "she is not", the property was sold to my estate: MUUR HILL FAMILY TRUST in May 2019 as demonstrated in (EXHIBIT M). The above parties also added multiple others, with the [SURNAME JACKSON] as "DEFENDANTS", to whom I have no knowledge of who they are. The above stated property, upon the death of "**Laura Jean Jackson aka Laura J. Jackson**", "**Gennie V. Campbell**" became owner of said property.

Also, in said "FORECLOSURE COMPLAINT" Judicial Report Schedule B 4. stated that a "Federal Tax Lien" in the amount of \$43,523.19 against "**James P. & Florence Jackson**", recorded with the STARK COUNTY, Ohio Imaging Records and that (**prior owner – unable to determine if it applies to this property**). Also, that a "Federal Tax Lien" in the amount of \$5,625.75 against "**James Jackson, Jr.**", recorded with the STARK COUNTY, Ohio Imaging Records and that (**prior owner – unable to determine if it applies to this property**). See (EXHIBIT M)

ALEXANDER A. ZUMBAR dba STARK COUNTY TREASURER without my prior knowledge or consent, has exposed a blood relative of mine "Death Certificate" to UNKNOWN persons, in an attempt to identify lineal kinship between: [SURNAME: "**JACKSON**"]; aiming to **attach their liability** owed on the above stated - "**Federal Tax Lien**" recorded at **RICK CAMPBELL, STARK COUNTY RECORDER OFFICE** to "**my**" land/property. **ALEXANDER A. ZUMBAR** is aiming to execute a collection of debt through a lien established by the Department of the Treasury – Internal Revenue Service in favor of the United states on all property and rights to property belonging to **JAMES JACKSON, JR., JAMES P. JACKSON, FLORENCE JACKSON**, through the unlawful attachment of said "liability", to "**my**" property / land. My kindred: mother, Gennie V. Campbell has been unlawfully attached as a "**DEFENDANT**" in this matter, making her potentially liable for "**OTHERS**" liability, but concurrently causing damages to her and mine estate, reputation and honor.

This is a CLEAR aim, by the above stated parties, to obtain a "**DEFAULT JUDGMENT**", by way of "**OTHER**" – [SURNAME **JACKSONS**] etc. parties FAILING or NOT complying with or making a special appearance in this matter. Let it be stated that I do not know who "**ANY OTHER**" individual are that is listed as "**DEFENDANT**", other than Gennie V. Campbell, who should not have been involved, in any manner or in any way, from its inception.

No commercial paperwork or commercial affidavit with a "WET INK" signature have been furnished or supplied to me, Nature El Bey, by Alexander Zumar, Kyle Stone, Gerard T. Yost, Alan Horold and any other that created the so-called liability. This is a very

blatant aim of dispossessing me and my band from my land and territory without my **free, prior and informed consent** and **without just and fair compensation with the option to return**. Alan Harold, Alexander Zumar and others rivaled my Preservation of Right to treaties, agreements, and other constructive arrangements and has failed to provide land and territory recognition and demarcation process that gives due recognition to indigenous peoples' laws, traditions, customs, and land tenure systems. All parties are guilty of attempting to re-convert indigenous land and Estates, that has been re-Venue in perpetuity as assets belonging to the natural heirs and beneficiaries, for someone else use and benefit. **THIS IS CLEAR FRAUD!!!**

Kyle Stone dba STARK COUNTY PROSECUTOR OFFICE, Gerard T. Yost dba ASSISTANT PROSECUTOR, Alan Harold dba STARK COUNTY AUDITOR, and Alexander Zumar dba STARK COUNTY TREASURER are **ALL impersonating Officers** or in **dereliction of duty**, as they intentionally refused and failed to produce a bond which is required by the State of Ohio before the discharge of their official duties.

These actions have caused damage to my ESTATE/(E)states: MUUR HILL SEVEN, NATURE EL BEY TRUSTEE OF THE REVOCABLE LIVING TRUST; MUUR HILL SEVEN TRUST; MUUR HILL SEVEN, MUUR HILL SEVEN FAMILY TRUST; in any all variations.

I, Nature El Bey, a Moorish American National in Propria Persona Sui Juris and I am exercising all of my rights at this time and at all times, as an ancient aboriginal indigenous divine natural living Being, I Nature El Bey, and all Moorish American Nationals of Morocco are the Executors, Administrators, Creditors, Claimants, and Beneficiaries of our own Estate. The said lien was filed pursuant to the United Nations American Mandate for the Land (1948 - previously held in Trusteeship), the currently active **Treaty of Peace and Friendship 1786/1836 (Treaty of Amity and Commerce 1786) see (EXHIBIT 1)** and the Constitution for the United States (Republic). Within said Affidavit I, stated to Alexander that pursuant to the Civil Order July 4th, 2014, all Estates and ESTATES erroneously believed to represent the American States and American State Citizens, and which were conveyed by fraud and legal deceit are re-Venued in perpetuity as assets belonging to the rightful and lawful beneficiaries and that he is attempting to collect and lay an unlawful excise tax on indigenous land that he does not lawfully possess, have jurisdiction over or have "Allodial Title". **see (EXHIBIT B)**

The constitutions of the several states and of this state, as a requirement of being part of the Union, must by law establish, support and maintain a “**republican form of government**” all of these states under the United States are republics and remain in harmony with the national Constitution. This is basic to the state’s political capacities to be accepted into the United States political United States as a member state of the Union. **No state constitution** can be at variance with or being conflict with **federal national Constitution** being the “**supreme law**” of the land or of and for the United States of North America. The Constitution is the “**supreme law of the land**”. This is to preserve the integrity of the people’s freedom and liberties with the anciently descended spirit “of preserving” justice. The Constitution for the United States Republic sets the tone, the guidelines, and the spirit for all de jure and legitimate laws and legislation. Thus, the Constitution is the **supreme national political Covenant and binding contract between the people and the rightfully sanctioned government which is in place for securing the inalienable rights of the people**. For under our republican form of government, the people sanction to be governed by the Constitution. Prescribed and written jurisdictional authority authorizations, delegation of authority orders, DOAO are thusly, and actually conditional and restricting licenses issued by the people through the constitutional limitations. NO bound conditions and restrictions. This constitutes the limited authorities granted from the people to those chosen persons in government by virtue of its Republican form and structure. Promotion of ignorance. **See Article 4, Section 4**. Upon these foresaid lawful documents, DOAO, the elected officers, and officials are bound to act and to carry out their specified and limited fiduciary duties. This consciousness about obligations and duties should allay any claims about false or misunderstandings to and distinctiveness the officers the specified delegations clearly described. Certain limited powers and authorities under designated departments made will lay any claims of faults to indistinctness. It clearly delegates certain limited powers and authority under designated departments of government outside of the foresaid limited delegated powers, authorities and jurisdictions and organized government has no lawful, ethical or rightful reason to exist. A government that does not rightfully nor lawfully represent and serve the people has no **authority nor right to tax the people**. An office is an assigned or delegated position, duty, or function specified within a structured social order, order, body politic, or government, with synonyms being appointment place. Post position situation etcetera. Thus, an office commonly suggests a position of public trust of duty or of authority officer is an incumbent of an office or one who is “lawfully” and by prescribed constitutional matter elected to or invested with an office, one who is charged by a superior power, particularly by government, with the authority and specified duty of exercising certain functions within that said social order or government. If persons holding public office or seats of government supersede or act outside of the designated parameters of the written Constitution contract and or violate the limited delegated powers described by their particular office and department to which they are oathbound, then criminality is their charge. The people become LAX or passive in their neglect of preserving the Republic. Then corruption can be expected to run rampant and prove to be detrimental to the people. That same limit delegated sovereign authority of the government

when people did dedicate to the service of the people if abused. What could and is often turned against them like a foreign enemy or foreign jurisdictional tyranny. This is why the delegation of authority orders DOAO to be deemed an important documented part of all and any "legitimate government" violations made against these "right protecting governmental principles" becomes evident when one reads the Constitution. It will reveal where and why the monopoly "party politicians" have been self-centered, wishy washy, getting rich at the people's expense unchecked. The politicians are wantonly doing whatever they please in contradiction to the people and at variance to the constitution. This is why the supreme law is in place to protect the people.
