Jurisdiction must be proven by any corporate fiction attempting to challenge this claim. Always assert the seven elements of jurisdiction:

- (1) Accused must be properly identified;
- (2) Statute must be true law;
- (3) Acts must occur in true territorial jurisdiction;
- (4) Proper subject matter;
- (5) Corpus Delicti (injured party);
- (6) Proper filing of charges;
- (7) Due process of law.

Without these, the tribunal lacks all authority
