AN ACT

To amend the Act of May 11, 1938 (52 Stat. 347), so as to authorize, by agreement, the subsurface storage of oil or gas in restricted Indian lands, tribal or allotted.

Indian lands.
Subsurface stor-
age of oil or gas.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the Act of May 11, 1938 (52 Stat. 347), is amended by adding at the end thereof (25 U. S. C. 396d) a new section 8 as follows:

"The Secretary of the Interior, to avoid waste or to promote the conservation of natural resources or the welfare of the Indians, is hereby authorized in his discretion to approve leases of lands that are subject to lease under section 1 of this Act or the Act of March 3, 1909 (35 Stat. 783, 25 U. S. C. 396), for the subsurface storage of oil and gas, irrespective of the lands from which initially produced, and the Secretary is hereby authorized, in order to provide for the subsurface storage of oil or gas, to approve modifications, amendments, or extensions of the oil and gas or other mining lease(s), if any, in effect as to restricted Indian lands, tribal or allotted, and may promulgate rules and regulations consistent with such leases, modifications, amendments, and extensions, relating to the storage of oil or gas thereunder. Any such leases may provide for the payment of a storage fee or rental on such stored oil or gas or, in lieu of such fee or rental, for a royalty other than that prescribed in the lease when such stored oil or gas is produced in conjunction with oil or gas not previously produced. It may be provided that any oil and gas lease under which storage of oil or gas is so authorized shall be continued in effect at least for the period of such storage use and so long thereafter as oil or gas not previously produced is produced in paying quantities."

CHAPTER 809

AN ACT

To authorize the Secretary of the Interior to construct, operate, and maintain the Washoe reclamation project, Nevada and California.

August 1, 1956
[S. 497]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That, for the purposes of furnishing water for the irrigation of approximately fifty thousand acres of land in the Carson and Truckee River Basins, Nevada and California, providing drainage service to approximately thirty-one thousand acres of land therein, firming the existing water supplies of lands under the Truckee River storage project and the Newlands project, controlling floods, providing hydroelectric power, development of fish and wildlife resources, and for other beneficial purposes, the Secretary of the Interior is authorized to construct, operate, and maintain the Washoe reclamation project consisting of two principal reservoirs at the Stampede and Watasheamu sites, together with other necessary works for the impounding, diversion, and the delivery of water, the generation and transmission of hydroelectric power, and the drainage of lands. The dam at the Stampede site shall be so constructed as to permit its ultimate enlargement to a height at which the reservoir will have a capacity of approximately one hundred and seventy-five thousand acre-feet.

Washoe reclamation project, Nev.-Calif.

SEC. 2. (a) In constructing, operating, and maintaining the works authorized in section 1 of this Act, the Secretary shall be governed by the Federal reclamation laws (Act of June 17, 1902, 32 Stat. 389, and Acts amendatory thereof or supplementary thereto) except as is otherwise provided in this Act.

43 USC 371 note.

(b) Any contract entered into under section 9, subsection (d) of the Reclamation Project Act of 1939 (53 Stat. 1187, 1193; 43 U. S. C., 1952 edition, sec. 458h) for payment of those portions of the costs of constructing, operating, and maintaining the Washoe reclamation project which are properly allocable to irrigation and drainage and which are assigned to be paid by the contracting organization may provide for the repayment of the portion of the construction cost of the project assigned to any project contract unit or, if the contract unit be divided into two or more irrigation or drainage blocks, to any such block over a period of not more than fifty years, exclusive of any permissible development period, or as near thereto as is consistent with the adoption and operation of a variable payment formula which, being based on full repayment within the period stated under normal conditions, permits variance in the required annual payments in the light of economic factors pertinent to the ability of the organization to pay: *Provided*, That any contract for a supplemental water supply for irrigation under this Act may omit provisions complying with the third sentence of paragraph (a) of section 46 of the Act of May 25, 1926 (44 Stat. 649) if such contract, in lieu of such provisions, provides that the pro rata share of the irrigation allocation which is attributable to furnishing irrigation benefits, in each particular year, to land held in private ownership by any one owner in excess of one hundred and sixty irrigated acres, shall be returned with interest determined in accordance with subparagraph (c) of this section, except that such payment for the excess lands shall not exceed an amount equal to the increased payment capacity of the excess lands, as determined by the Secretary of the Interior, resulting from the supplemental water supply.
