**Pursuant to: Civil Orders of June 10th, 2014, and July 4th, 2014, Issued to All Members of the Domestic Police Forces, US Marshals Service, the Provost Marshal, Members of the American Bar Association and the American Armed Services:**

All birthright State Citizens of *the United States of America* are specifically enjoined from engaging in any activity contrary to the health, welfare, safety, and benefit of their fellow State Citizens, or will otherwise be recognized as **criminals** regardless of what uniforms they wear or what authorities they pretend to have. If **corporate “President” Obama** should order any member of the “US military” or any armed “agency personnel” — BATF, IRS, NSA, FEMA, etc. — to open fire upon *American State Citizens*, it would constitute a **war crime** against non-combatant civilians and it would be immediately recognized as such throughout the world.

**For all military and civilian-based defense and law enforcement agencies the rule to be observed is: if you can’t do it as a *private* individual, you can’t do it as a *public* officer.**

Any State Citizen who is forced to open fire on federally or federal “State” or “STATE” funded personnel in defense of property or life will be recognized as **a non-combatant civilian** without exception, held harmless, and supported by all members of the American Armed Forces of THE UNITED STATES OF AMERICA and all American State Militias. Any State Citizen so imposed upon by those in his or her employment or hired by those in his or her employment in any capacity whatsoever including “elected” officials, will be entitled to **full reparations** in the amount of \$5,000,000.00 USD or the equivalent at the time of the damage incurred, **for every death**; \$2,500,000.00 USD or the equivalent at the time of the damage, **for every permanent disability**.
