American Negroes have in the past been considered "*US citizens*" because that is the only "citizenship" they were ever granted after the Civil War, a grave travesty of justice that resulted in them having only "civil rights" which are only privileges granted by the "US Congress" instead of the "**Natural and Unalienable Rights**" they are **really heir to**. They were also claimed as chattel backing the debts of the United States' prohibitions abolishing slavery and peonage.

A prompt correction is available from the organic states by proclamation. The people in the organic states are granted full and **immediately recognizable status as "American Nationals"** owed all the "**Natural and Unalienable Rights**" of any other organic State Citizen, no matter which geographically defined state they may inhabit on the land.

Introduction

Alan Harold, pursuant to the CHARTER OF THE UNITED NATIONS, at signature page 2, United States of America operatives have an obligation to fulfill the principles and provisional Articles, sections and, where they may exist, subsections. The STARK COUNTY AUDITOR is an organ/department of the United States of America and your oath of office for position at said department binds you to Article VI Supreme Law Clause 2 Supremacy Clause, ALL TREATIES MADE, WHICH SHALL BE MADE, and to the UN CHARTER.

CHAPTER I, PURPOSES AND PRINCIPLES of the UN CHARTER, Article 1, The purposes of the United Nations states: To maintain international peace and security, and to that end: to take effective collective measures for the prevention and removal of threats to the peace, and for the suppression of acts of aggression or other breaches of the peace, and to bring about by peaceful means, and in conformity with the principles of justice and international law, adjustment or settlement of international disputes or situations which might lead to breach of the peace;

2. To develop friendly relations among nations based on respect for the principle of equal rights and self-determination of peoples, and to take other appropriate measures to strengthen universal peace;

3. To achieve international cooperation in solving international problems of an economic, social, cultural, or humanitarian character, and in **promoting and encouraging respect for human rights** and for fundamental freedoms for all without distinction as to **race, sex, language, or religion**;

Principle 1

The authors of the Charter of the United Nations had in mind that “**Chapter XI**” should be applicable to territories which were then **known to be of the colonial type**. An obligation exists to transmit information under Article 73 e of the Charter in respect of such territories whose people have not yet attained a **full measure of self-government**.

Alan Harold et al, evidence shows that the STARK COUNTY AUDITOR has been more adverse in nature than supportive in the development and autonomy of indigenous people.

CHAPTER XI: Article 73 states, members of the United Nations which have assumed responsibilities for the administration of territories whose people have not yet attained a full measure of self-government recognize the principle that the interests of the inhabitants of these territories are paramount, and accept as a sacred trust the obligations to promote to the utmost, within the system of international peace and security established by the present Charter, the wellbeing of the inhabitants of these territories, and, to this end:

A. to ensure, with due respect for the culture of the people concerned, their political, economic, social, and educational advancement, their just treatment, and their protection against abuses;

B. to develop self-government, to take due account of the political aspirations of the peoples, and to assist them in the progressive development of their free political institutions, according to the particular circumstances of each territory and its peoples and their varying stages of advancement;

1. As stated in above Civil Orders, July 2014, All those **(E)states and ESTATES** erroneously believed to represent the American States and American State Citizens and which were conveyed by fraud and legal deceit to the United States of America (minor) and more recently to the City-State of the United Nations, are **re-Venued without exception** to the geographically defined American States and the American State Citizens where they shall remain in **perpetuity** as assets belonging to the **rightful and lawful beneficiaries**. Alan Harold, multiple vexatious attempts has been made in the past by the STARK COUNTY AUDITOR and in collusion with STARK COUNTY TREASURER DEPARTMENT, using extortionate means of threat, duress, and coercion, by sending unlawful Leins and Seizure notices through mail, soliciting of indigenous land, and admitting 952 - TAX FORECLOSURE, to take possession of said indigenous / Tribal land and territory, rivaling my (NON-TAX OBLIGATORY) status and repudiation of your, individual and/or gross, attempts to gain possession of said indigenous land. **This is a form of (chattel slavery) which is a violation of international law.**

2. **STARK COUNTY AUDITOR, Alan Harold**, has failed to perform, not giving legal recognition to “non-taxed obligatory” tax status registration No. AA222141 / CLASS A*, and protection to these indigenous lands and territories, by continuous promotion of defamatory information: (DELINQUENT) / NEGATIVE: 952 - TAX FORECLOSURE information and data on STARK COUNTY AUDITOR website and public forums causing damage to my honor and reputation.

STARK COUNTY AUDITOR, Alan Harold also, unlawfully appraised my Indigenous / Tribal Lands and Territories, raising the value perhaps causing increased taxation, continuing the promotion of (DELINQUENT) / NEGATIVE: 952 - TAX FORECLOSURE information without having or producing a true, valid, and lawful “Allodial Title” to said land and/or the authorized consent of indigenous / Tribal authority. As these **practices of (Chattel Slavery)** goes against I, we, us indigenous customs, traditions and land tenure systems of the indigenous
