Birthday Party Fun Day Camp

HSS offers specialized horse themed birthday camp to help you celebrate your birthday. This is perfect for horse enthusiasts that want to celebrate their birthday with their friends while getting to be around and ride horses.

Each camp is 2 hours total (or longer depending on options you add on). There will be riding for 1 hour with one horse for group size up to 7, two horses will be used with groups of 8 or more. Riders will take turns being led around and taught according to their level. The horse will be decorated as well. You may add options to customize your special day (see options below) and then use the second hour to have time to eat, open gifts, etc.

Items provided: decorations, goodie bags for each camper, one picnic table, two 5' tables, refrigerator and freezer, microwave, trash can (please pick up all your trash before you leave), all horse activities you registered for, helmets, and boots.
