

Your friendly kick up the bum!

Are you aged 45 to 74?

Do the bowel cancer screening
home test kit **every two years**
when you receive it.

A simple test could save your life.

If you are aged 45 to 49 and would like to order your first kit, or if you:

- have thrown out or misplaced your kit,
- have never received your kit, or
- have changed mailing address,

scan the QR code or contact the National Cancer Screening Register on **1800 627 701**.

For more information, visit **bowelcancer.org.au**
