Due to rising costs of running a practice, combined with the fixed medicare rebates, EGP has now transitioned to a mixed billing practice. Each doctor works independently and will set their own fee schedule. Please speak to our receptionists for further information.

All NEW patients will be charged a private fee. The fee will vary on the length of the consultation.

Patients who have been to the surgery in the last 2 years and are under 15 years of age or patients who are pensioners, or health care card holders will continue to be bulk billed.

Registrars will bulk bill existing patients on weekdays from Monday to Friday.

All NEW patients booking with a registrar will be privately charged.
