

# **Ms. Alisha Jackson, MSW**

**Doctoral Candidate**

*Faith-Based Transformational Speaker*

*Trauma-Informed Leadership & Resilience Expert*

**Healing | Endurance | Kingdom Leadership**

Equipping leaders and women to heal deeply, rise boldly, and lead with unshakable resilience.

# Ms. Alisha Jackson, MSW

Ms. Alisha Jackson, MSW, is a faith-based transformational speaker, trauma-informed leadership expert and doctoral candidate committed to equipping women and organizations to rise beyond survival into purpose-driven authority. As the founder of Healing Within Transformation Center, she integrates social work expertise, resilience development, and biblical leadership principles to help audiences break generational cycles, strengthen endurance, and lead with bold, sustainable impact. Her work empowers individuals to transform pain into power and pressure into perseverance.

Romans 12:2

"Be transformed by the renewing of your mind."

# About Ms. Alisha Jackson

Ms. Alisha Jackson, MSW, is a faith-based trauma-informed speaker, transformational leader, doctoral candidate, and founder of Healing Within Transformation Center. With a background in social worker and resilience development, she equips leaders, women, and organizations to break generational cycles, strengthen endurance, and walk boldly in purpose.

Her workshops integrate faith-based transformation, trauma-informed leadership strategy, and practical resilience frameworks to produce sustainable growth and measurable impact.
