Partner With Us: Support a Movement of Healing & Hope

250 women will receive life-saving breast cancer screenings they couldn't otherwise afford.

The Challenge.

Did you know?

1 in 25 Nigerian women develop breast cancer, 70% diagnosed at late stages.

This event is designed to directly tackle the barriers of cost, access to care, and the emotional burden for affected individuals.

Our Solution: Overview of Event

Beyond the Pink, There's the Green is a one-day wellness event providing 250 women with free breast screenings, mental health support, and financial empowerment tools, hosted by Mente Calma for Breast Cancer Awareness Month.
