

Dear Family and Friends,

Hi! It's Justyn, Founder and CEO of the 501c3 nonprofit, Heroes & Hearts. I believe God is calling me to go beyond the boundaries of Las Vegas and share His love with refugee children from Ukraine. So, **September 4-20, 2022**, I will be serving in the country of Poland and Hungary.

Specifically, I will support Ukrainian children as they adapt to their new lives in a new city and country. I will share God's love and give them toys, baby items, school supplies, food, books and more.

I will also help by having STEM/Soccer camps and building small indoor libraries/play places.

I am so excited to go and serve the Lord by supporting Ukrainian children and I am humbly asking for your help. There are two ways that you can be a part of this great mission.

1. **Please pray for my mission team and me.** Please ask God to give my team and me safe travels, caring and generous hearts, and the right words to minister. Your prayers are needed and so important!
2. **Provide financial support.** If you feel so called to support the work God is doing through this mission, please prayerfully consider mailing or giving me a donation. I am looking to raise \$5,000.00, which will cover my travel expenses and supplies needed to clean, paint, and support the educational and play needs of kids.

Your financial gift is tax deductible. Please write your checks to Heroes & Hearts. Electronic payments can be made: via **Zelle/PayPal** @ heroesandheartslv@gmail.com or **CashApp** @ 702.626.3691.

God is already moving greatly among the Ukrainian Refugees and we are excited to share those experiences with you when we return. Thank you so much for considering supporting us through prayer and/or a financial gift. We look forward to joining God's work around the world through our team's mission to help the Ukrainian Refugees!

In His service and love,

Justyn
