

Business and Career-Growth Programs Team

The Business and Career-Growth Programs team of the BDPA organization is dedicated to empowering members through professional development and entrepreneurial initiatives. This team designs and delivers comprehensive programs aimed at enhancing business acumen, technical skills, and leadership capabilities. It organizes workshops, seminars, mentorship opportunities, and networking events to facilitate career advancement and business growth. By providing access to industry insights, educational resources, and a supportive community, the Business and Career-Growth Programs team ensures members are well-equipped to navigate and excel in their professional journeys.

To join the Business and Career-Growth Programs team, or for more information, contact Mr. Sandy Mills, Vice President of Talent Development, at 216-236-4625, or at smills@bdpacleveland.com.
