A Message From Our Exalted Ruler

Gil Mendoza

Welcome to a New Year (in Elks terms) my brother and sister Elks. Our Lodge year runs from April 1, 2024 through March 31, 2025. We have a new slate of Officers elected by you, our members, and I am confident we will work diligently to serve your expressed needs. As your newly Installed Exalted Ruler for Tacoma Elks #174, I am humbled by your trust in me to Lead our Lodge this coming year. Please note I stated “your expressed needs.” That is what it means. We need your voice! Our new officer roster is printed in this edition of The Call, our monthly publication. You may reach out to any one of us with ideas, concerns and/or queries on how you might like to be involved or best be served. We have many working committees; some dealing with longer term obligations and activities; others with a single event, or shorter time commitment activity that might be of interest to you. Please feel free to contact Lee Frankie, our Lodge Secretary, to learn about the many different opportunities of which you could be involved with, and to share what you would like to see us being involved in. Please LET US KNOW. There are regularly scheduled meetings which will occur throughout the year, where you can be assured of seeing and interacting with our officers and other interested members.

Lodge meetings happen every Wednesday night in our beautiful Lodge room, beginning at 7 p.m. (we meet only twice in each of the months of July and August). They are informative, we conduct business, share information on happenings in our lodge and on our property (i.e. Bingo Nights, Irrigation System Replacement Project just finishing up) and our financial status on bills encumbered and revenues made. We also have fun with raffles and the like.

We also hold Board meetings on the second Thursday of every month beginning at 5:30 pm, downstairs in the Executive Conference Room next to the Handball Courts. We have several Governing Boards: The Elks Allenmore Board, which governs the primary profit side of our total organization; encompassing the Allenmore golf course, the Urban Elk restaurant, and our Allenmore Banquet and Conference services usually leads off. By the way, we will be nominating and ELECTING our new EA Board at the 7 pm Lodge meeting on April 10. This Board consists of four current officers and three members at large. You could be one of these.

*A Message From
Our Exalted Ruler

The Tacoma Elks #174 Board of Directors consists of the people you, as members, elected to serve this year. They also conduct the business of the Lodge on your behalf and do some forward thinking and planning in designing our near- and long-term future for the Tacoma Elks.

The Tacoma Elks #174 House Committee consists of the Entire Board of Directors described above. In this role, we govern all activity occurring in the downstairs area, accessible with the scan card you were issued when paying your annual dues.

We have other multiple committees, such as Veterans, Hoop Shoot, Marketing and Membership, Audit, Scholarships, Elks National Foundation, Childrens Therapy, and Lodge Activities, to name a few (there are more).

There are also certain “Ritual Ceremonies” and community activities we observe or host throughout the year; such as Flag Day Celebration, Mother’s Day, and Memorial Day, Easter egg hunt for kids, Christmas party and stocking stuffing, to name several. You could be involved in any one or more of these.

On Sunday, May 12 we will be holding our Mother’s Day Ritual at 9 a.m. in the Lodge Room. Please bring the Moms, or Grandmothers in your families to be honored.

Immediately following the ceremony, you can also treat your special matriarch(s) to a brunch in our Urban Elk restaurant. I hope you will join us.

I hope this message has provided you some insight into the “nuts and bolts” of how we serve you through our governing and working boards and committees. Please reach out to me, our Lodge Secretary, Lee Frankie, or any other officer to learn more and or to discover how you might better be served, or serve. Remember: Elks Care – Elks Share!

Best to each and all of you in the coming year. gil

Here we go. This years Officers are in place and we eagerly are looking forward to this Lodge year. We are planning upcoming activities with the emphasis on having fun. If you haven't paid the current years dues now is the time, so that you can be a part of every thing taking place at the Lodge.

We ask that Tacoma Lodge Members bring their families and friends to the Lodge for a visit. With your assistances they can see the many opportunities that Tacoma Lodge has to offer and they may want to become Members. With every ones help we can make Tacoma Lodge even better than what we have currently and help our community to a larger degree.

Fraternally,

Lee

BLAST FROM THE PAST

How many of you remember the good old Ford Edsel? It was short-lived only produced in 1958 and 1959. 1960 models were available and still are if you are looking for one. There were the Edsel Ranger and Pacer, and also the Corsair and Citation. There were two and four door sedans, convertibles and station wagons. Prices ranged from \$2,519 to \$3,801, not that you would get one that cheap today! Prices on the Internet for one ranges from \$9,500 to \$75,000.

The bright yellow 1959 Edsel Villager shown has a price of \$16,950. The green 1959 Edsel Corsair shows a price of \$9,500. The pale yellow 1958 Edsel Citation is listed for \$75,000! If you find those prices too expensive, try looking in old garages, barns or overgrown fields.

The Edsel was never meant to bear the Edsel Ford's name, but it got that name as nothing else thought of worked. Some of the names that did not work: Mongoose Civique, Turcotinga and Utopian Turtletop.! The Edsel had a unique horse-collar grille and narrow horizontal taillights. They featured "Teletouch" buttons for the automatic transmission which were recessed in the steering wheel hub, stand-up hood ornaments, and a huge wraparound bumper.

Did you know that Edsel was the only child of Clara and Henry Ford, and was named after one of Henry's closest childhood friends, Edsel Ruddiman? The family did not want the car named after Edsel, but the chairman of the board convinced them. The Edsel was probably the worst mistake Ford had made, and it cost the company a lot of money. But as you know Ford survived and recovered to become one of the big three along with Chevrolet and Chrysler.

Rebranding the Tacoma Elks Social Quarters

Let's be honest. How many people really want to go to a "SPORTS BAR", which is the current name of the Tacoma Elks #714 social quarters? Unless you work out in the fitness center, shoot pool/billiards, or play handball, you probably don't want to go there. Guess what...the SPORTS BAR is the only purely Elks area in our wonderful building just for Elk members, their families, and guests. Well, if we want our members to use our social quarters, we need to make changes.

The first thing we need to do is get rid of the connotation of our social quarters being the SPORTS BAR. It is the Tacoma Elks #174 social quarters, and we need a new name! Some of the ideas are the Tacoma Family Social Quarters and the 174 Family Center. We need and want your ideas about what a good name would be for this area. We need to stay away from sports bar, lounge, etc., as these does not give the idea of a good place to come with your family and enjoy the area. Let's hear from you. Send your ideas to the Lodge Secretary in March and let's start the new Lodge year with fresh ideas and a new name.

This also needs to be the year we do some heavy membership recruits. Here are the facts. As of February 28th, we have 874 members on books. 729 or 83% of our members live within 20 minutes of our Lodge. 537 or 61.4% live within 10 minutes of the Lodge. Of these members, 77.4% (677) are between 60 & 89 years old with 16.9% (148) between 21 and 59. The average number of years these members have been an Elk is 11.8% with 64.99% being an Elk from 1 to 30 years. That's a lot of Elks knowledge we may lose in the next few years. We need to approach our membership in two ways.

First, let's get our members back in the Lodge, ideally to help us revitalize our involvement in the community. Second, we need to find and recruit younger members. In both cases, it's up to you, the members of Tacoma Elks #174 to make this a success story, not just the 16 officers of the Lodge. We need your ideas and enthusiasm to put Tacoma Elks Lodge #174 on the road to success. So, let me close with a challenge.

Are you, the members of Tacoma Elks Lodge #174 ready to help bring Tacoma Elks up to the pride of Tacoma and Elksdom that it can be? It's up to the membership to step up and work on changing the course of the Lodge and move up and forward. Ready?

TIME TO THINK ABOUT YOUR GARDEN FOR THIS SUMMER!

Have you started planning your garden? April is the month to consider: Planting new trees and shrubs. Be sure to water well after planting. Sow seeds indoors for eggplant, peppers, and tomatoes. Sow seeds outside for beets, carrots, chard, leaf lettuce, peas, potatoes, radish and spinach. Mulch potatoes. Midmonth you can start sowing sweet corn, cucumbers, summer squash and bush beans.

For general gardening questions go to Gardening.wsu.edu.

For plant pest/disease solutions go to hortsense.cahnrs.wsu.edu or pest-sense.cahnrs.wsu.edu.

If you can't find the answer to your issue, you can email Master Gardeners at pierce.mg@wsu.edu or call 253-798-7170

Please don't litter. Help keep the Tacoma Elks Lodge's grounds free of cans, bottles, cigar and cigarette butts, loose paper, etc. by placing your waste in one of our disposal receptacles. If you see trash on the ground, please help us by picking it up and placing it in one of the disposal receptacles. Your cooperation is sincerely appreciated .
