A Message From Our Exalted Ruler

Gil Mendoza

Happy New Year my Elks Brothers and Sisters. Yes, it is that time of year (New Start) when we all begin making resolutions on how much better we can and will be. We resolve to be this, and do that. Yet for some, among the many, the prospect of trying a new approach, let alone trying something new, is met with trepidation.

In the devotional classic, *Imitation of Christ* (15th Century), author Thomas 'a Kempis tells the story of a certain person who was so filled with anxiety and fear that he could not bring himself to act. As he wavered back and forth in his uncertainty he thought, if I only knew such and such, then I should have the courage to persevere. Presently, wrote Kempis, he heard within himself this answer from God: "***And if you did know, what would you do? Do now what you would then do, and you shall be very secure.***"

This very practical rule of living mitigates worry and apprehension about both big and little things. For example, you cannot be sure that a relative or friend will enjoy visiting with you – but you would ask them if you were sure. Very well then – invite them as if you were sure. Or you can't be sure if your job (or avocational project) will succeed if you put in extra work (or even effort) on it, but how can you satisfy yourself without proceeding as if you did know it would succeed?

There are plenty of practical examples – and Resolutions - in everyone's life; these are only suggestions of how it can help to act "**as if.**" These have proved useful words for me to live by. I have used them many times, with the added mental encouragement from author Dorothea Brande, to "*Act as if it were impossible to fail,*" from her book **Wake Up and Live!** (1936). The result may not always be what you hope for, but the sense that you have done the best you can to make things work out, and have given opportunity itself a chance, does produce in yourself that inner peace which is the best kind of security. Happy resolutions – And RESULTS!

The holidays are over and now the busy new years' work load commences.

We have documents and flyers of all types being distributed. There is scholarship information and other various committee flyers being distributed as well.

The Lodge is in the process of updating our Membership Information for the 2026 Lodge year,

As always we encourage you to speak to your family and friends about joining the Tacoma Elks Lodge. This is the time when you should consider being an Officer or on a Lodge Committee. Speak to a current Officer to obtain any information that you may require.

Fraternally & Respectfully,

Lee

HAPPY NEW YEAR!

As we welcome in a new year, the Lodge Staff and the Elks Allenmore Staff are working on many activities for a great 2026.

One area that we are currently working on is the information channels to get the details on activities out to all of you, Elks Members.

Through the past few years there have been numerous online platforms (social media and websites) publishing information on Allenmore Golf Course, Urban Elk Restaurant, Elks Lodge, activities, reviews and more. The team and I are working on removing some of the "dated" and sometimes misleading sites to be sure all are receiving most current information.

One item that will be worked on during January is updates to the Elks Lodge #174 website (www.tacomaelks.com) Through change of staff and technology glitches, this site is outdated with information about your lodge, but will be renewed with current shortly. Meanwhile, the (www.allenmoregolfcourse.com) website does have a calendar that is being maintained with Allenmore events and activities on golf course and restaurant, as wells as some of the Tacoma Elks Lodge activity.

In addition, the new Facebook Page is growing in following and activity along with other social media platforms under construction.

For those who do not share in websites or social media, there will be information within this newsletter, The Call, reader screen in front of Urban Elk Restaurant, menu cards, flyers around lodge, and Elks Member area downstairs.

Come to Bingo on Monday Nights at the Elks

Happy New Year from your Bingo Volunteers

Start the New Year out by joining us for Bingo on Monday nights in the lodge room. Bring your family and friends and fill a table for fun and laughter! Maybe you will be the lucky one to win a big payout. You can purchase your Bingo cards starting at 6 pm with Bingo starting at 7 pm, and ending about 9 pm. Each strip contains 3 Bingo cards and each strip costs \$2.00. If you want to play every game and buy a Power Ball ticket, it costs \$17.00. Where would our charities be without the donations from you by playing Bingo? You help our lodge and our charities such as ENF, Tall Elks, Veterans, and other local causes. Thanks to all who play and volunteer their time to help out.

For those who play Bingo and help by recycling your Bingo sheets, bottles and cans, thank you. The area guidelines are followed and no garbage, such as candy wrappers, single use cups, napkins or glass are accepted.

Great Plant Picks

If you're thinking of planting new plants or a new garden in the spring, it's time to start planning. Those garden catalogs that come in the mail are a great way to see what you might like. You may find the site for Great Plant Picks helpful. Great Plant Picks is the primary educational program of the Elisabeth C. Miller Botanical Garden which debuted in 2001. Since then each year a comprehensive palette of outstanding plants for the maritime Pacific Northwest is published. To date over 1,000 exceptional plants have been selected for gardeners living west of the Cascade Mountains. Take a peak and see what you can find at <https://www.greatplantpicks.org/>.

Please don't litter. Help keep the Tacoma Elks Lodge's grounds free of cans, bottles, cigar and cigarette butts, loose paper, etc. by placing your waste in one of our disposal receptacles. If you see trash on the ground, please help us by picking it up and placing it in one of the disposal receptacles. Your cooperation is sincerely appreciated .

Calling all Elks!

The Urabn Elk is restructuring the hours of operations for all those pool, poker, handball players as well as those that just want to relax with a good book, or something on the television.

Along with a change in Winter hours, we will be entertaining our Elks with some specials each week. Keep an eye out for Tequila Tuesdays, Whiskey Wednesdays, Thirsty Thursdays, and more...

Sure the Rack will still provide a beverage and snack to the brave winter golfer, but our focus will be our Elk's. Let our friendly staff treat you to a beverage and snack of your liking.

Happy Holidays and hope to see you all @ The Rack!

Where elks enjoy gathering...

Our Legacy to the Future

In 1928, one man's dream became a reality for all Elks and the communities we serve. Then-National President John F. Malley envisioned a plan that would "unite the forces of the Order into a mighty army for the service of mankind." During the annual Grand Lodge Convention in Miami that year, Malley's call to service inspired delegates to take action by voting to establish the Elks National Foundation with an initial \$100,000 grant.

Nearly 100 years after Malley shared his vision with the Order, the ENF continues to unite all Elks in service to their communities.

Our Mission

The [mission of the ENF](#) is to help Elks build stronger communities. We fulfill this pledge by investing in communities where Elks live and work. We help youth develop lifelong skills, send students to college, meet the needs of today's veterans, support the charitable work of the state Elks associations, and fund projects that improve the quality of life in local Elks communities.

Our Impact

Since inception, the ENF has contributed more than \$500 million toward Elks charitable projects nationwide. Our programs continue to grow each year, allowing Elks to do even more to build stronger communities. [Click here](#) for details on all ENF programs.

This year, the ENF allocated \$18 million to fund the [Community Investments Program](#), investing in Elks communities through grants for Elks Lodges. Community Investments Program grants offer your Lodge an opportunity to serve your community in ways that will raise the Lodge's profile, energize the membership, encourage former members to return to the fold, and gain the notice of people who want to be part of an organization that's doing great things.

How the ENF Works

The ENF is able to help Elks build stronger communities thanks to contributions from our generous donors. Since inception, we have received more than \$322.6 million in contributions and bequests. Today, we have more than 124,000 active donors and an endowment fund valued at \$884.4 million.

A [board of seven trustees](#), who are all past national presidents of the Order, governs the ENF, which is located at the Elks national headquarters in the Elks Veterans Memorial in Chicago. The director, Jim O'Kelley, oversees the administration of the ENF's day-to-day operations. [Click here](#) to meet O'Kelley and his staff. The ENF also has volunteers at the Lodge, district and state levels who help coordinate our fundraising strategy and implement our programs.

Thanks to the ongoing support of our donors, the ENF continues to expand on Malley's vision, mobilizing Elks across the country into a force for positive change.
