A Message From Our Exalted Ruler

Gil Mendoza

Happy (Elks) New Year my Elks sisters and brothers. We ended our last year with a celebration of Women in History month during March, and hosting a Women in Leadership/Women of the Elks brunch the morning of March 22nd. Our guest speaker, Karen Haas, took us through a (musical sing along) historical remembrance and tour of the many contributions women have made in our rich history as a country. We had women members of other Lodges present, as well as women guests from our greater community. Fittingly, several men officers from Tacoma Lodge #174, and other male PER dignitaries donned aprons and served our special guests; without any broken dishes, nor spilled coffee in laps. Raised proceeds will go toward supporting one of our local charitable service providers.

For my April ER message, I want to highlight one of these GREAT women in leadership. Being an effective leader does not have to be based on positional power. It can be based on personal power; that of a powerful human spirit and being. I share with you my narrative for selecting our Tacoma Lodge #174 Elk of the Year for this past Lodge year:

ELK of the YEAR

Jeannie Sutton is highly deserving and my choice to be called Elk of the Year for this past Lodge Year. She is selfless in her attitude toward others and seemingly tireless in her approach to everything she engages in. The word “Everything” captures her involvement within our Lodge, as she has volunteered at nearly every event we have been engaged in this past year. From Easter celebration to Christmas wrapping and Holiday celebration for our Elks children and families, as well as children and families referred to us from community agencies, she is involved in planning and preparation. They benefit from her caring contributions to make their lives a little more pleasant, particularly the latter, who have little-to-nothing during special holiday remembrances. As a retired medical professional (surgical technician), Jeannie is predisposed to and has a natural affinity toward caring for others. That seems foremost in her approach to service, and she models a very caring attitude for the rest of us to emulate. Jeannie volunteers every Monday night at our bingo activities, assisting with running the snack bar concessions, and helping wherever the evening work requires additional assistance. She always has a smile and cheerful attitude, making the bingo players feel welcome and cared for.

Her greatest service to our lodge is chairing our efforts to remain current with “Sickness and Distress.” Her work behind the scenes goes unheralded, as she spends numerous amounts of time pouring over news feeds and other communications to keep us current in our understanding on the wellness of our members. She works to ensure we have get well cards and other notes of encouragement to send to our members, in hopes they will feel thought of, appreciated, and valued that we are thinking of them. When we suffer the misfortune of losing a member, Jeannie reports the news by building up that individual’s legacy with dignity and respect. She takes what is typically a very somber piece of news and makes it celebratory, facilitating the rest of us feeling better in recollecting our absent members, and appreciating the blessings bestowed on each and all of us. In essence, she is quietly effective. She does good and disappears, expecting no thanks, recognition, nor heraldry for her devotion to us and what we hold most dear; each other. She always ends her weekly report with the words “Fly our Flag, Pray, and Support Our Troops!” This epitomizes her valuing our country, each other through God, and particularly those who give selflessly in service to our country. She always redirects accolades to others, little acknowledging that as “those others,” we aspire to be more like her.

I am deeply THANKFUL for her and what she does. It is without pageantry, without expectation of recognition, yet with commitment and love to some of those most marginalized and most in need; and the rest of us.

Thank you so very much Jeannie!!

Another Lodge year is starting with a new Officer team. Like the plants on the Lodge property, the atmosphere in the Lodge is definitely returning to business as usual. There are many activities currently in the planning process. The Lodges annual Easter Egg Hunt is on April 19th at 11 AM. This is an activity where you can bring your family and friends to enjoy the spectacle.

The Lodge will be holding a Mother's Day Service this year. Check the flyers in this Newsletter for additional information about what the Urban Elks Restaurant will be serving for Mother's Day specials. If you would like to see an activity that isn't mentioned, contact a Lodge Officer for discussion on your thoughts.

We look forward to seeing you at our Lodge and if you have any questions or concerns, please stop by the Lodge Office.

Fraternally & Respectfully,

Lee

Funtimers meet the second Wednesday of the Month

Funtimers are seniors, but anyone can join us, who meet for lunch and card playing in the Urban Elk Restaurant once a month. Take time to join us and enjoy lunch and maybe a few laughs. Wednesday, April 9th is our next luncheon. Come join us and introduce yourself. We meet about 11:45 to beat the lunch crowd. Enjoy lunch and then play the card game “31” if you want to stay. It costs 3 quarters to play in the game and you might go home with everyone else’s quarters! It’s a fun way to spend an hour or two. We teach those who do not know how to play “31” and it is easy to learn.

"This muni course run by the Elks is one to be seen... A must see club house and public restaurant is also worth a visit. Greens get plenty of light and 9 out of 10 in condition. Amazing views of Mt Ranier. Watch out for the OB on tricky #4 and have a great round."

"Had an amazing time everyone was super friendly and course was great..."

"Great course at a reasonable price. Decided to venture out of the Seattle area and I am glad I did. Friendly pro shop, friendly bar/restaurant staff."
