

# Dean Acres Community Centre

**Dear Neighbours,**  
**As fairy lights twinkle across Comrie and the year comes to a close, we'd like to wish every one of you a warm, joyful, and healthy New Year. Thank you for your continued support throughout 2025—your involvement keeps our community spirit glowing bright.**  
**Below are this month's news and updates from the Centre.**

## **Centre Updates**

### **Boiler Upgrade**

Thanks to a generous council grant, our new boiler has now been installed. We're currently reviewing heating control options to keep the centre warm through winter.

### **Defibrillator**

With the assistance of Comrie Centre funds, donations from the Comrie Community and support from St John's Scotland, we have purchased a community defibrillator. As the building is council-owned, installation must be completed by a council-approved electrician, paid for by the Comrie Centre. We are awaiting a quote and installation date.

### **Planters**

Our outdoor wooden planters have been replaced and will be freshly painted in the spring once the weather cooperates.

### **Gardening Competition**

Congratulations to the winners of our Summer Gardening Competition. Each winner received a £100 gift voucher!

The competition will return next year.

### **Cosy Cafe**

The Cosy Cafe is open every Wednesday, 1:30 – 3 p.m. Drop in for hot drinks, biscuits, and friendly conversation. We are investigating the possibility of providing hot food as well - see Facebook for details.

### **Volunteers Needed**

We are always looking for more volunteers—whether you can spare a few hours, help with admin, join as a trustee, or run an activity or event. Your contribution makes a real difference.

⚠ Unless we find more volunteers, there is the possibility that the Centre may have to close at some time in the future.

### **Decorating in 2026**

Our interior is ready for a refresh! Redecorating has been added to next year's agenda.
