## *Reba Glows at the CMA's*

With Watercress Hydration Cascade  
+ Crow Catcher

"I'm blessed with dry skin, so prep for the CMA's start early with a moisturizing routine! Day-of, the foundation for my beauty look is **Watercress Hydration Cascade™** from FarmHouse Fresh that my makeup artist (Brett Freedman) introduced me to – it keeps my skin fresh and dewy despite being on stage all day, and night!" – Reba McEntire
