

FRUSTRATED

BY INEFFICIENT CAPSULE MACHINES?

Reclaim Production and Efficiency
with Overhauls and Upgrades from IIM.

⚙️ Comprehensive Rebuilds ⚙️ Upgrades ⚙️ Safety Features

If you've got an underperforming machine, the answer isn't necessarily replacement!

- ⚙️ Overhauls and upgrades from IIM typically perform at 96-99% efficiency
- ⚙️ Recouped capacity pays for the overhaul in a matter of shifts.

Call IIM to get more production from your machines, we'll help you turn your backlog into ready-to-ship product.

“

We didn't realize what we were missing! Thanks to IIM's overhaul, we're getting 30% more production out of our existing equipment. - Westward/Hikma

”
