Dear Friends and Neighbors,

As we approach this holiday season, the Richland Park Board is reflecting with gratitude on all the progress made in our community this year, especially the addition of our new pickleball courts! These courts have already brought energy, activity, and we are thrilled to see so many residents enjoying them.

To complete this project and ensure the courts remain safe and protected for years to come, we hope to add an **8-foot-tall black fence** around the courts. This final step will help preserve the playing surface and create a secure, welcoming space for all who enjoy this fast-growing sport.

As a **501(c)(3) nonprofit organization**, **your donation is tax deductible** and will go directly toward completing the pickleball court project and supporting continued improvements in our park.

If you would like to make a contribution, please make checks payable to:

Every gift, large or small, makes a difference. This holiday season, we invite you to be part of building something lasting for our community. Together, we can finish this project and continue making Richland a place we're proud to call home.

With gratitude and warm holiday wishes,

The Richland Park Board
