

BEP - Certified Vendor Form

CJL Resources is committed to helping small businesses that are owned and operated by minorities, women, or individuals with disabilities. Grow your business, increase your opportunities and become Certified with the Business Enterprise Program (BEP). If your business is each of the three bullet points below, then you qualify as a BEP vendor. Download the PDF, fill it out & submit it. CJL can assist in every step.

- Owned by a citizen of the United States or a resident alien
 - At least 51% owned and controlled by a minority, woman, or individual with a disability
 - Have annual gross sales of less than \$75 million
- I meet the criteria above and I am interested in becoming certified as a BEP vendor with the State of Illinois Business Enterprise Program. Please contact me so I can get started in the certification process.
