- *Fist-size sound openings between base and bowl*

Each drum is uniquely made.
No drum is perfect.

The Original and Authentic D'Jembe

We have these drums in all sizes and they are easy to play. D'Jembe (pronounced Jem'Bay) drums are hand-carved and hand-strung for quality. They offer the authentic, African experience, so check online for the latest stock.

True Chebe Powder

Let your hair experience authentic Natural Chebe Powder from Chad. Chebe (pronounced shea bay) powder is a traditional hair growth remedy from the heart of Africa. It has been used for generations to increase hair growth and prevent breakage. All-natural, and only available from plants in this remote part of Africa.

In Chad, women's hair often goes past their waist. African women elsewhere almost never see this length of hair. Chebe powder is what moisturizes and prevents breakage for the women here. Using Chebe keeps hair super moisturized and lubricated. It helps to prevent breakage.

Made with rare ingredients that are only found in Chad and Sudan. Superior to shea butter and other hair moisturizers. Chebe penetrates the hair shaft to prevent breakage. Also de-tangles making hair easier to manage.
