

About Seekers Convention

..OUR ANNUAL RESOLVE TO SEEK THE FACE OF GOD TOGETHER..

In 1996, our Pastor entered a very dry season in his Spiritual walk due to some pressing cares that he was determined to fix in his own strength. The Lord began to stir his heart to draw closer and focus on Him rather than the cares as he did aforetime. Out of the blues, a minister friend called him thousands of mile away and said "Man of God, you need to go back to doing what you used to do." Our Pastor needed no more clues, he broke down in repentance before God and feverishly searched the "Yellow Pages" for a retreat center. The rest as it's said is HISTORY.

For over 2 decades , he has taken the church and friends on annual getaways to the beautiful mountains of Pennsylvania. It's a time to get away from the pressure of everyday life to a conducive atmosphere to seek, enjoy God's presence, and fellowship with each other.
