About Seekers Convention

..OUR ANNUAL RESOLVE TO SEEK THE FACE OF GOD TOGETHER..

In 1996, our Pastor entered a dry season in his spiritual walk, trying to handle pressing cares in his own strength. The Lord began stirring his heart to refocus on Him instead of the burdens.

Then, unexpectedly, a minister friend from thousands of miles away called and said, "Man of God, you need to go back to doing what you used to do." That was all he needed. He broke down in repentance before God and urgently searched the Yellow Pages for a retreat center. The rest, as they say, is history.

For three decades since, he has led the church and friends on annual getaways to the mountains of Pennsylvania, a time to step away from daily pressures, seek and enjoy God's presence, and fellowship together.
