Our Lady of the Lakes St. Bede School

Dear St. Bede School Community,

I am excited to introduce myself to you as the new interim principal for St. Bede School.

I come to you with over 40 years' experience in Catholic education. The majority of those years, 34 to be exact, were at Carmel Catholic High School where I began as an English teacher and where I spent the last 14 years as an administrator, first as Assistant Principal and then as the first lay Principal. Since retiring, I have done work with the Archdiocese of Chicago as a consultant where I assisted in parish faith formation program organization, mentored new school principals, conducted professional development workshops and assisted where needed as an interim principal. This brought me to St. Joseph School in Libertyville and a few years later to St. Mary School in Buffalo Grove.

I am a product of Catholic education myself, as are my three children and my six grandchildren. These personal encounters, along with my career involvement over these many years, have resulted in the fact that I am a believer, a cheerleader for Catholic education. Be prepared to hear me sing the praises whenever given the opportunity.

A higher level of academic success is a given, just look at the data which shows that graduates of Catholic schools accelerate nationally over the public sector. However, the real story of success lies in the fact that Catholic schools, like St. Bede's, provide what can't be given in public schools - holistic education. This means that in addition to academic, social and physical development, Catholic schools can focus on spiritual development, values education, and therein lies all the difference. In a New York Post article they refer to it as "The 'secret sauce' that helps Catholic schools over-achieve". (Jan. 26, 2020) In this day and age, children are pulled in all directions, social media inundates them with messaging that causes confusion and self-doubt, The greatest internal struggle in children is a lack of self-worth. Spiritual development allows them to get acquainted with a God who loves them unconditionally and who walks with them through joy and sorrow - they are never alone. This same God has blessed them with uniqueness which is the gift they bring into the world that will have an impact. This knowledge has a tremendous impact. I have seen it over and over again. Even Aristotle agrees, he said: "Educating the mind without educating the heart is no education at all."

The strength of the messaging is delivered throughout the program by teachers and staff who understand that their role is a vocation, not merely a job. They understand that they do God's work in educating the children entrusted to them and have chosen to dedicate their lives in response to God's call. We understand that the children are the top priority in all that we do, in all the ways we act. Let me tell you - that makes all the difference. I warned you I was a cheerleader.

I look forward to the joy of beginning this new year and to meeting each of you. I ask that we pray as a community:

God of New Beginnings
We ask you to energize and renew us.
Fill us with the spirit of wonder,
enchanted and delighted with opening minds and hearts,
ready to take on the challenge of growth and change

Sincerely,
Lynne Strutzel
Interim Principal

Lake County Illinois Catholic Charities assistance programs

If you need help in Lake County Illinois, then Catholic Charities is one of the leading organizations to contact. They provide direct emergency assistance, referrals, and partner with non-profits and companies such as North Shore Gas. Social workers from Catholic Charities will advocate on your behalf, provide case management, and offer direct financial assistance if it is available.

Heating bill assistance is offered from the **Heartship Program**. Catholic Charities may have funds that can help North Shore Gas customers whose heating service has been shut off. Various hardship conditions need to be met, as well as income guidelines are in place. Call the agency at 847-782-4100 in order to apply for Heartship.

Housing and shelter is offered by the Samaritan House. This location caters to homeless women and children in Lake County. So short term housing is offered, as well as support and case management to help people end the cycle of homelessness. Once someone is stable, Catholic Charities will help facilitate longer term housing placement assistance as well as provide skills training. The goal is to also help someone find a job so they can pay the rent on their own in the future.

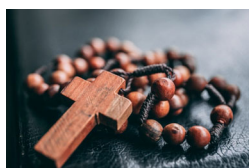

Some of the case management services provided by Samaritan House include employment and budget counseling, skills education, life skills development, and much more. Referrals are provided for other community resources as well as state of Illinois and federal government public assistance programs. 847.782.4142

Rapid Re-housing Program, Housing Counseling and Case Management - This Catholic Charity program helps families locate and secure affordable, safe, and quality housing. Get assistance with developing workable budgets, communicating with prospective landlords, maintaining and paying for the housing, and get information on tenant's and homeowner rights and responsibilities. Foreclosure prevention and counseling may be provided too.

We invite our parishioners to utilize our e-giving system which can be accessed at www.givecentral.org. Once at the site, on the upper right side is a button that reads, “Find your Charity,” please press and a search box will appear in the center of the page. Please type in St. Bede Ingleside or St. Peter Antioch, as either option will enable you to donate to Our Lady of the Lakes Parish. It will bring you to another page which lists a couple of areas of need, please click on your choice and it will step you through the process of donating. There are options to do a one-time payment or to set up a series of donations. We hope you can help with a one-time gift, but also hope you see the benefit of setting up a series of automatic donations. Many of our parishioners use Give Central because the predictable nature of the donations helps in managing their household budgets. You may use a credit card or bank account. If you opt for an ongoing donation, you do have an option to modify it by accessing the Give Central site. I hope you can help, as we rely on the weekly collections to match the operating expenses the parish faces each week. Thank you.

2022 Invitation to Serve

July 9/10 INVITATION TO SERVE Are you searching for ways to experience God? That can be difficult. God is a 'spiritual being'. Members of the Society of St. Vincent de Paul find Christ in the poor they visit and, in seeing Christ, they experience God.

We invite you to share in our ministry of finding Christ in the poor. Look for our **Invitation to Serve** in future bulletins.

July 16/17 INVITATION TO SERVE

Are you a naturally caring, compassionate and giving person? Were you blessed with parents and other role models in life from who you learned that the joy of living is in the joy of giving?

If you answered YES to either of the above questions, look for **Invitation to Serve** from the Society of St. Vincent de Paul in next week's bulletin.

July 23/24 INVITATION TO SERVE

You are invited to serve Christ's poor in our surrounding neighborhoods. The Society of St. Vincent de Paul invites you to join with other caring people to assist people in our community needing food, clothing, rent or utility assistance, and other emergency needs. We have many volunteer opportunities with varied time commitments. Watch for us at Masses next week weekend.

July 30/31 INVITATION TO SERVE

Watch for us this weekend. For more information visit us in Coleman Hall after Mass

Today we are inviting you to consider joining the Society of St. Vincent de Paul.

Christ said, "Whatever you do for the least of my brethren, you do unto Me". Is it time for you to really live your faith by giving something back for all you have received? To learn more visit us in Coleman Hall after Masses and/or join us on **Wednesday, August 3 at 7pm, in the Faith Formation Center Library.**

Divorce & the Rest of the Family

Divorce will affect more than just the couple ending their marriage. Children in the family are affected. In-laws on both sides are experiencing the loss, too, as are neighbors and friends. Especially in this season of family get-togethers and celebrations, the separated and divorced can feel particularly isolated and vulnerable.

Make an effort at this time of year to offer help to the divorced:

- Show the care you still have for them.
- Support and comfort the children as they adjust to the changes.
- Listen well and with understanding.
- Suspend judgments.
- Expect to mourn the end of this marriage.
- Take a casserole over to the family.
- Offer respite to the custodial parent on occasion.
- Pray for the entire family.
- Welcome all members of the family at public and social gatherings.
- Be mindful that there are no "ex" parents, only "ex" spouses.
- Be kind to those in pain over the trauma of the divorce.
- Focus on the bright side of future opportunities and challenges.

Divorce is never the plan the couple had for their life. Extend help in appropriate ways.

The Separated & Divorced Support Group meets at Prince of Peace on Tuesdays at 7:00 p.m.
