

CL Cheerleaders

Admissions policy

Statement of intent

It is our intention to make our troop accessible to students and families from all sections of the local community.

Aim

We aim to ensure that all sections of our community have access to the troop through open, fair and clearly communicated procedures.

Methods

In order to achieve this aim, we operate the following admissions policy.

- We ensure that the existence of the troop is widely advertised in places accessible to all sections of the community.
- We ensure that information about our troop is accessible - in written and spoken form - and, where appropriate, in different languages. Where necessary, we will try to provide information in Braille, or through signing or an interpreter.
- We arrange our waiting list in First Come First Served order. In addition our policy may take into account the following:
 - existing skills of prospective member
 - family members already attending the troop.
- We describe our troop and its practices in terms which make it clear that it welcomes support and input from both fathers and mothers, other relations and other carers, including childminders.
- We describe our troop and its practices in terms of how it treats individuals, regardless of their gender, special educational needs, disabilities, background, religion, ethnicity or competence in spoken English.
- We describe our troop and its practices in terms of how it enables student with disabilities, if desired, to take part in the life of the troop.
- We monitor the gender and ethnic background of student joining the group to ensure that no accidental discrimination is taking place.
- We make our equal opportunities policy widely known. A copy of our policies is readily available upon request and is placed on the admission table at each training session where parents/carers may review them if desired.
- We consult with families about the opening times of the troop to avoid excluding anyone.
