

Katja Monserrat is the Adult Program Assistant Teacher at Boca Raton Achievement Center. She is currently pursuing her Master's Degree in Developmental Disabilities at Nova Southeastern University and has hopes of working with children and young adults with special needs for a long time to come. Katja's involvement in the special needs community goes back many years and includes Special Olympics and multiple Therapeutic Horseback-Riding Associations. Her favorite thing about her job at BRAC is building a trusting relationship with each of her participants. She also enjoys teaching fitness to the Middle and High School students several times a week. Katja's favorite slogan about teaching is "Progress over PERFECTION."
