

Online Maths Teaching — Tutoring Contract Agreement

This Tutoring Contract Agreement (“Agreement”) is made between **Online Maths Teaching** (“the Tutor”) and the Client (parent/guardian and/or student). By scheduling or attending tutoring sessions, the Client agrees to the terms and conditions outlined below.

1. Scope of Tutoring Services

- 1.1 The Tutor provides academic tutoring in **Mathematics**.
 - 1.2 Tutoring is offered **both online and in person**, as mutually agreed.
 - 1.3 Tutoring aims to support the student’s learning and confidence. The Tutor does not guarantee specific academic outcomes or grades.
-

2. Cancellations, Rescheduling & Attendance

- 2.1 Cancellations require a minimum of **24 hours’ notice**.
 - 2.2 **Rescheduling** requests must be made **at least 1 hours in advance**. A reschedule **request after the lesson time scheduled start** may be given if the tutor has space but will be chargeable at £1, plus the fraction of the lesson time passed (at normal rate). For example, a lesson rate of £60 per hour being requested to be scheduled 5 mins into the lesson will be charged £6 to reschedule. The time is for how long I am in the lesson, which includes responding to messages to discuss whether it is possible to attend. There is no guarantee a reschedule will be approved after the lesson start time, as this is dependent on availability.
 - 2.3 **Late cancellations and no-shows are charged at the full session fee.**
 - 2.4 Any applicable refunds will be processed **at the end of the month**. This is if sessions are not used and not being carried forwards to the next month.
 - 2.5 In cases of repeated cancellations, **the Tutor may move the student’s slot time or terminate this Agreement.**
-

3. Payments and Fees and discounts

- 3.1 Clients are invoiced **monthly in advance** and must pay before the first lesson in the invoiced period.
 - 3.2 Accepted payment methods:
 - **Bank transfer** (preferred)
 - **Online payment** (surcharge applies)
 - 3.3 A **£5 late payment surcharge** applies to overdue invoices.
 - 3.4 A **50% discount** applies to the **first lesson** only.
 - 3.5 Sessions may be **paused** or **cancelled** if invoices are not paid before the first lesson in invoice period.
 - 3.6 If an invoice is classed as refusal to pay, after lessons have been delivered compensation of £80 per invoice will be applied, and interest from the original due date will be applied at 30% per annum. This only covers **refusals** to pay. If requests for **extensions on deadlines** are made these generally accepted if reasonable.
