

# Heavy-Duty FRLs

Industrial In-line & Point of Use  
Air Treatment

Industrial Rated FRL Components • Machined Aluminum Body

Easy to View Polycarbonate Bowl • Pressure Gauge Included

1 Year Warranty

ALUMINUM PIPING SYSTEM

## Filters

175 PSI Max Inlet Pressure, 10 Micron Element

1/4" NPT	Overnight Drain, 30ml Capacity	FOD.025175
1/2" NPT	Automatic Drain, 50ml Capacity	FAD.050175
1" NPT	Automatic Drain, 150ml Capacity	FAD.100175

## Regulators

0 - 150 PSI Range, 175 PSI Max Inlet Pressure  
with Pressure Gauge

1/4" NPT	RWG.025175
1/2" NPT	RWG.050175
1" NPT	RWG.100175

## Filter Regulators

175 PSI Max Inlet Pressure, 10 Micron Filter  
with Pressure Gauge

1/4" NPT	Overnight Drain, 30ml Capacity	FROD.025175
1/2" NPT	Automatic Drain, 50ml Capacity	FRAD.050175
1" NPT	Automatic Drain, 150ml Capacity	FRAD.100175

## Filter Regulator Lubricators

175 PSI Max Inlet Pressure, 10 Micron Filter  
0 - 150 PSI Range with Pressure Gauge

1/4" NPT	Overnight Drain, 30ml Filter Capacity 40ml Lubricator Capacity	FRLOD.025175
1/2" NPT	Automatic Drain, 50ml Filter Capacity 170ml Lubricator Capacity	FRLAD.050175
1" NPT	Automatic Drain, 150ml Filter Capacity 300ml Lubricator Capacity	FRLAD.100175
