Re: Public Records Request for "In a letter dated October 25, 2019 signed by Steve Poftak, General Manager and addressed to Kate Fitzpatrick, Needham Town Hall, [1471 Highland Ave., Needham, MA 02492](#), it is stated in the last sentence of the first paragraph that "[a]s you may know, a study conducted by the Federal Railroad Administration (FRA) determined that bans/elimination of locomotive horns in other parts of the country resulted in accident rates doubling."

Please cite the specific study that is being referenced as part of this statement.

Please see attached a copy of the October 25, 2019 letter.

Thank you."

Our Case No.: R000183-032922

Dear Mr. Unhjem,

The Massachusetts Bay Transportation Authority ("MBTA") is in receipt of your request for public records dated March 29, 2022 regarding the above-referenced matter; this request was received by our Records Access Officer on March 29, 2022.

In response to your request, please see the attached.

Please be advised that attachments are available for 60 days, so please save any records you wish to keep beyond this period to your own hard drive or device within that time period.

Thank you for your attention to this matter.

Sincerely,

Julie Ciollo
Assistant General Counsel/
Records Access Officer
