

Notice of Proposal and Public Meeting

To be held by CarbonFree Kynoch Ltd. regarding a Proposal to Engage in a Renewable Energy Project

Project Name: CarbonFree Kynoch

IESO Reference Number: LT2e1-6796

Project Location: Kynoch, Ontario. Adjacent to Highway 554 in the unincorporated District of Algoma.

Dated at Niagara Falls this, the 26th of September 2025.

CarbonFree Kynoch Ltd. is planning to engage in a renewable energy project in respect of which the issuance of a Renewable Energy Approval is required. The proposal to engage in the project, distribution of this notice, and the project itself are subject to the provisions of the *Environmental Protection Act* (the Act) Part V.0.1 and Ontario Regulation 359/09 (the Regulation). This notice must be distributed in accordance with Section 15 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of the Environment, Conservation and Parks.

Meeting Location:

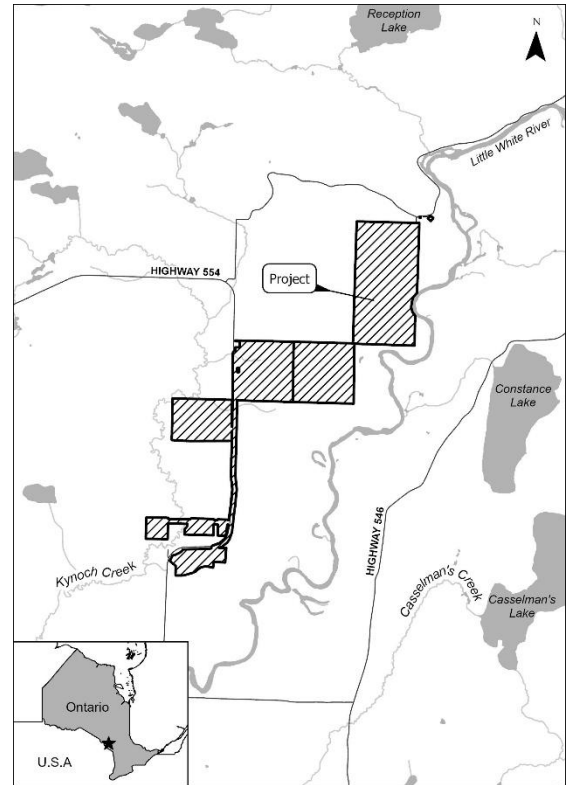

Date: Thursday, November 6, 2025

Time: 6:00 pm to 8:00 pm

Place: Kynoch Community Hall, Hwy 554

Project Description:

CarbonFree Kynoch is a renewable energy generating facility which will use solar photovoltaic (PV) technology to generate electricity. Pursuant to the Act and Regulation, the Project is a Class 3 solar facility project. If approved, this facility would have a total maximum name plate capacity of up to 185 MW. Electricity generated by solar PV panels will be converted from direct current (DC) to alternating current (AC) by inverters and then stepped up (via pad-mounted inverters, medium voltage transformers and a main substation transformer) to 230 kilovolts (kV) prior to being connected to the existing Hydro One Networks Inc. (HONI) transmission line. The project location is shown on the map below.

Documents for Public Inspection:

The Draft Project Description Report titled *CarbonFree Kynoch Draft Project Description Report* describes the project as a renewable energy generation facility which will use solar PV technology to generate electricity. A copy of the CarbonFree Kynoch Draft Project Description Report was made available for public inspection on September 26, 2025 at <https://carbonfreekynoch.com>.

Project Contacts and Information:

To learn more about the project proposal, public meetings, or to communicate concerns please contact:
