**Mom's House®, Inc.
of Johnstown**

The first Mom's House was established in Johnstown, Pennsylvania, in 1983 with a mission to support single and abused women facing unplanned pregnancies. Founded on the belief that every mother deserves opportunity, dignity, and hope, Mom's House provides a compassionate and practical alternative—empowering women to build stable, self-sufficient futures for themselves and their children.

What began as a single initiative has grown into a proven, impactful model. Recognized for its innovation and service, At its core, Mom's House offers a comprehensive, two-generation approach that supports both parent and child. The program combines high-quality childcare with a strong network of services designed to help parents succeed. While their children are cared for in a nurturing educational environment, parents commit to continuing their education.

Through this model, Mom's House not only meets immediate needs but also creates lasting change, equipping families with the tools, education, and confidence needed to break cycles of poverty and build brighter futures.
