

CUSTOMER GRIEVANCE REDRESSAL POLICY

Alwar General Finance Company Private Limited [AGFC] is committed towards its customers and has put together the under mentioned Grievance Redressal Policy for an effective resolution of all complaints received by AGFC from its customers pursuant to the RBI Fair Practice Code for Non-Banking Financial Companies. This policy aims at an effective resolution of customer complaints through proper channelized approach, review mechanism and prompt resolution of all customer complaints. We aim to resolve any complaint or grievance which may arise as a result of any gap in the promised and delivered service levels. This shall also apply to all queries and/or feedbacks received from AGFC's customers.

AGFC encourages customers to provide feedback and raise complaints in respect to our services and we aim to improve the quality of our products and services. Customers can share their complaints in writing via email, calls, letters, visit to our customer support team based at our registered office.

Customers are advised to make use of our tiered redressal mechanism. We have put in place a very robust and customer friendly structure to ensure that all complaints are resolved in a timely and effective manner.

GRIEVANCE POLICY PRINCIPLES

- The prime objective of AGFC is customer satisfaction.
- Timely resolution of all queries and complaints are necessary for business growth.
- All employees of AGFC shall work in Customer's best interests.
- The details of the grievance redressal system shall be displayed on AGFC's place of business and on its website.
- Continual evolvement of redressal mechanisms for the resolution of customer grievances.

TRAINING OF THE CUSTOMER SERVICE TEAMS

The team at AGFC undergoes regular trainings on handling customer grievance and handling queries. All relevant prevailing laws of the lending are being taught in respect to customer grievance handling to ensure the team is up to date on all compliance aspects. We are focused at timely and quick resolution of all queries and grievances received and we seek feedback from all our customers to ensure our systems and mechanisms improve with time. We intend to improve with every interaction with our customers.

UPDATING AND ANALYSIS

AGFC analyses all complaints received through various mediums and ensure we improve with each complaint received. Our internal systems are built in a way to capture all grievances and timely analysis is done bring out a permanent solution to each complaint received. We believe in analyzing the root cause of the issue and resolve it permanently thus ensuring improved and enhanced customer experience.

PROCESS OF COMPLAINTS REGISTRATION

We encourage feedback and thus we have created the following tiered escalation system for our customers-

- **Level-1**
