Re: Cover Letter Restating Objection to FCC # DA-16-443; Docket RM-11681

Dear Chairman Pai,

The Coalition of Geospatial Organizations (COGO) has continued to monitor the Commission's position on rule making regarding the Ligado Request to Allocate spectrum. We are unanimous in our opposition and desire to re-emphasize our position in light of the new leadership of the respective committees. Our original letter is attached.

Please let us know if there is anything we can do to assist.

Sincerely,

Shelby D Johnson, Chair
Coalition of Geospatial Organizations
