Introducing the new Helix Shot Migration Choke from Briley.

May we suggest you take one out for a spin?

Check out the new *Helix* choke from Briley. Special angled lateral ports impart spin on the shot charge as it passes through the choke, resulting in select core pellets migrating to the outer portion of the pattern. The result? More even pellet

distribution, pattern-wide. All *Helix* chokes come Briley's exclusive *Spectrum* band identification system in addition to legendary Briley quality. Contact Briley today for latest spin on choke tech.

The ASTF would like to express their gratitude to Chris Townsend. Over the years, Chris has been so generous in donating a gun to the AIM portion of our wonderful State Shoot. He is one of the best representations of Arkansas Trapshooting, and the sport as a whole. We can't thank you enough Chris!

2022 Hall of Fame Inductee

Robert E. Pennock Jr. "Robby"

Robert E. Pennock Jr. "Robby"

Robert Pennock Jr. was introduced to trap shooting by his Uncle Gerald Pennock. Gerald put two traps in his back yard and Robby was put to work right away loading and pulling for shooters. He was hooked. A few years later, Gerald sold his traps and began shooting at the Remington Gun Club. This is where Robby and Gerald would spend most of their time. Robby shot his first ATA targets in 1985 as a sub-junior.

As with a lot of young shooters, Robby stopped shooting not long after he graduated high school due to getting married, establishing a home, and taking care of bills. Robby would shoot every once in a while during this time but really got back into it in 2006. This is when he also started traveling outside the state to shoot. Robby reached the 27-yard line in 2007. In 2009, Robby talked his wife (Wendy) into shooting and learned that there was "crying in trapshooting". He has also helped coach a few teams of young shooters. Robby has always been willing to help out anyone who asks and has encouraged the youth shooters to listen to the older generation -you can hear some amazing stories. Robby has always been interested in what was best for the shooters as a whole. He decided to help out by running for Arkansas ATA Delegate, which he has been for several years. Robby has helped out at several of the gun clubs with running shoots or teaching how to run shoots. He is always putting others first when it comes to shooting. Who else would work the whole Grand American so their wife could shoot! (He did but only one time).

Robby has won several trophies at the Grand American, SW Zone, Arkansas State shoot, Louisiana, Missouri, Texas, Kansas, Mississippi and Oklahoma. During these shoots, Robby has made some lifelong friends and is always excited to see them. When asked what his favorite memory in trapshooting is; he replied, sitting out under that huge tree at Remington during any of the state shoots and visiting with Steve Mathis, Devon Melbourne & family, Andy Waldo, Jimmy Self & family, Roger Finkle, Bronson Castleberry, Arlie Griffin, Ray Bearden, Jim Clifton and the list goes on and on and on. Robby has never met a stranger and will always seek them out at the next shoot.

CALE ALEXANDER LOVE

03/24/1997 – 12/08/2021

Our beloved Cale Love, age 24, of Bay, Arkansas, passed away on 12/08/2021 in a tragic auto accident.

At a young age, Cale accepted Christ into his heart and was a member of Bay First Baptist Church.

This sudden passing has been extremely difficult. For anyone that knew Cale Love, our lives have been completely changed.

Cale had a way of making a positive impact in kids' lives. He often went out of his way to make them feel special, and he invested time in them. He had a heart of gold.

He was an outstanding avid sportsman; very respectful, sweet, and kind. He was full of fun and spirit. He would do anything for a friend in need.

He was well-known and one of the most influential people in the lives of many young trapshooters. He was a great shooter and mentor. He reminded everyone to always stay humble, not through words, but through actions. People looked up to him.

Cale spent most of his time with friends gettin' bucks, bustin' ducks, chasin' turkeys, frog catchin', crappie fishin' and destroying lots of clays!

Cale was truly a Gentle Giant and loved his family and friends dearly. To know Cale was to love Cale.

Cale's teachers have said that he was one of the most genuine, sweet, and well-mannered students ever. He was such an amazing soul. His entire family is this way.

Cale was a loyal and trusted friend to people of all ages. From Junior High into adulthood, a group of rowdy boys endured so much in their young lives and continued to be steadfast in their beliefs of each other and the unbroken bonds of brotherhood. This group has endured unimaginable heartache and loss.

Cale's passing brought these boys to their knees as they were completely grief stricken and heartbroken over the loss of their friend.

The Lord blessed Cale with a talent, skill, and ability to shoot trap. He was blessed with Godly men who coached him. They taught him life lessons of integrity, respect, and competitiveness. His teammates will have cherished memories for a lifetime. These young men made shooting fun. Cale, and his mother and father, are most thankful for the friendships they made at his local home club (Harrisburg Gun Club), in Arkansas, nationally, and internationally (Brazil).

Just before Cale's passing, he had spent time with his dad, Dr. Frank Love Jr., while on a hunting trip. Cale harvested a huge buck. He had ordered a necklace as a Christmas gift for his mother. The necklace, a gift from her "Doodlebug", arrived the day of Cale's passing. On it was inscribed, "To the world you're just a mother, but to me you're the world."

Cale touched many lives in the short 24 years that he was with us. Cale Love gave us all a gift. It was simply Cale being Cale, and that memory lives on.

In loving Memory of Cale Love
