# President's Message

Welcome Shooters and Friends,

On behalf of the Arkansas State Trapshooting Federation, please accept my warmest welcome to the 2025 State Shoot! We are excited you are here and honored you decided to compete in Arkansas this year! We sincerely hope you have a great time and make wonderful memories while you are here.

To the sponsors and those who contributed time and financial support to this endeavor, I extend my deepest gratitude. You have selflessly given to a very worthy and appreciative group of sportsmen and women. This opportunity for our shooters simply would not be possible without you. I ask those of you attending this week to return the favor by also supporting the individuals and businesses you see posted on signs across the range. I would also like to acknowledge and thank the AGFC Jacksonville Shooting Sports Complex management and staff for the tireless hours spent preparing the range and ensuring a fantastic experience for our shooters and guests.

On Friday, we will honor our Hall of Fame inductees, past and present, with a fish fry dinner and fellowship between friends and competitors. Please consider joining us to honor and celebrate their contributions to trapshooting. After all, it's the fellowship, the friendships, and the memories upon which this great sport is built.

We are expecting this year's shoot to be an exciting one, and if you have any concerns or suggestions for next year, please contact me personally. I welcome your feedback.

Finally, I want to recognize the talented shooters who will be competing and the families who are dedicated to supporting and encouraging them. You are the foundation of this sport we all love.

My friends, go bust some birds and make some memories!

Jim Clifton  
President

## Jim McMahan

Jim grew up in east Tennessee and while he really enjoyed playing school sports his most enjoyable activity was hunting and would spend his free time with a shotgun walking the fields and hills. When Jim graduated from high school he joined the United States Navy and served honorably. His service enabled Jim to attend college on the GI bill. Jim had a lengthy career in the field of nuclear power. During Jim's career he was on a consulting agreement

with the Palo Verde Nuclear Station in Phoenix Arizona. This is when Jim was introduced to the sport of trapshooting. Jim registered his first ATA targets at the Phoenix gun club in 1986. At that first shoot Jim posted a 98 in singles and a 98 in the handicap and earned a one yard punch on his ATA application. He shot a 100 straight in singles in his second registered shoot at the Black Canyon Gun club and another 100 at his third registered shoot at the Phoenix gun club. Then Jim was hooked on trapshooting for the rest of his life. He has registered ATA targets every year since 1986. He has registered over a 200,000 targets to date and still shooting.

In 1989 Jim ran 200 straight in the Grand American in Ohio. In 2009 he shot a 100 straight in Doubles at the Grand American in Illinois. He continues his pursuit of the completion of the elusive Grand American Grand Slam. Also in 1989 Jim was the Southwest Zone Handicap Champion. He has won multiple trophies at the Grand American, the Mid West Grand American, Pre Autumn Grand and a trophy at the Southwestern Grand American. Jim has won numerous trophies at the following state championship tournaments: Arkansas, Arizona, Kansas, Louisiana, Mississippi, Missouri, Nebraska, Oklahoma, and Texas. Jim has been on the Arkansas State team 6 times. Jim served 2 years on the Arkansas Trapshooting Federation Board of Directors. He is a lifetime member of the ATA and ASTF. Jim is also a member of the 2025 Sr Vet ATA All American Team.

The thing that Jim has enjoyed the most about trapshooting is the friendships that he has established during the many years of competition shooting. He enjoys visiting with old friends at the shoots and catching up on their life experiences.

## **Renae Chambless**

## **Petey Chambless**

Petey and Renae Chambless began their trapshooting journeys in 2007. Although their shooting slowed, they quickly started providing assistance at the local, state and national levels.

Renae was the one who introduced the family into the world of trapshooting. She started

shooting at Remington Gun Club to try and find a new hobby she could enjoy. Shortly after starting, she and Petey noticed a need and began helping run Blue Rock's ATA shoots. Petey installed two new trap fields at the club in 2008.

In 2007, Renae first started helping at the Grand American. She worked in the Event Center at the customer service desk. She was always quick to help anyone, especially kids and parents who had questions about the AIM program. After working in the Event Center for several years, Renae then began working in the "shootoff shack" in 2013, a job she still does to this day.

Also in 2007, the pair began helping at the Iowa State Shoot. Renae aided with their AIM program. Since 2019, Petey has worked as a trap mechanic at the shoot. They still make the same trip every year. Renae also assisted at the Kentucky State Shoot for three years.

Petey was asked in 2008 to help set targets at that year's Grand American. The next year, he was promoted to trap mechanic. In 2013 he took over as the Trap/Target Setting Manager, a job he still does every year.

The duo helped host the first AIM shoot in the state of Arkansas in 2009. The shoot took place at Remington Gun Club. Petey said that so many kids signed up, the line stretched from inside the clubhouse all the way to Field 9.

The pair were also AIM and AYSSP coaches for several years. Their team, "Team NITRO," won the 2012 senior division. They also served as AIM Directors for Arkansas for more than nine years. Renae was named as the AIM National Advisor for 10 years from 2013-2023.

Petey has worked on trap machines at every club in Arkansas that throw registered targets, and even some that no longer do. He has worked on trap machines in nine different states, with several others asking for his help. Petey takes pride in throwing the best target he can at whatever club he goes to.

Petey has worked at the classification desk at the Arkansas State Shoot for more than 10 years.

Renae was named interim-secretary of the Arkansas State Trapshooting Federation during the 2008 target year. She was elected to the position in 2009 and served for 10 years. She was then ASTF president for three years from 2021 to 2023.

The Chambless family always makes sure to place an ad in the Arkansas state program book.

Petey and Renae were married in 1993. They moved to Lonoke in 1995 and still live there today.

Petey has worked as a construction engineer for 32 years, while Renae worked for Alltel Telephone Company for 27 and retired in 2017.

Outside of helping with shoots, the couple enjoys hunting and spending time with their son, J.K., and daughter-in-law, Tori.

Petey said the thing they love the most about the ATA is the friends they have made from all over the world. He added that every shoot they go to is like a family reunion.

## Sam Weaver

Since starting in ATA in 2005 at the age of 63, Sam Weaver has registered over 47,000 singles, 39,000 handicap, and 30,000 doubles targets.

Sam began shooting league at the St. Charles (IL) Gun Club in the late 1990s. Out of 50 teams competing, Sam and his team would finish around second place each year. After years of shooting together, one teammate suggested Sam should join the ATA because "it will make you a better shooter." Sam responded, "Sign me up!" He laughs about the decision now because it did not improve his shooting and has cost him a small fortune.

In August of 2005, Sam broke 95 in the singles during an ATA at the Downers Grove (IL) Sportsmen's Club and took home the D Class award. A few months later, Sam moved to Arkansas and by 2006, he began shooting at the Bella Vista Sportsmen's Club. He served as club president from 2007-2015. "I had the greatest people helping me," he said, including Eddy Kinslow, Craig Seckington, Debbie Hall, and Paula and Dennis Rasmussen. Under his leadership, Sam and his team improved the club's finances tenfold, allowing for larger payouts at ATA shoots and making club improvements, including computerizing services.

Perhaps Sam's most valuable accomplishment as president has been growing the number of youth shooters participating in the AYSSP program. With the club regularly hosting AIM shoots, Sam would encourage young people to shoot in ATA events. Because of his influence, more and more youth are continuously taking part in club events.

Eddy Kinslow commends Sam for his ability to recollect details about other shooters. "Because he pays attention to how you shoot and listens to what you have to say, he is a constant source of encouragement. He continues to bring new shooters into our club. When he meets them and the youth shooters' parents, he talks to them. Sam will call them by name the next time he sees them. His encouragement endures."

Sam's support has not been limited to Bella Vista. He has contributed to the Arkansas State Shoot and the Grand American. He has spent years supporting ASTF by assisting Eddy Kinslow in preparing the ASTF program and consistently purchasing an ad for the program. Every Saturday during the Grand American Handicap, Sam volunteers as a referee for shootoffs. In 2023, he refereed Ricky Merriman, who won the Grand American Handicap. He can also be seen relieving scorers during state and local shoots when they need a break.

Through the years, Sam has had some stand-out wins. In 2014, he won senior veteran during the Singles Championship of the Arkansas State Shoot, which allowed him to compete at the Champion of Champions competition at the Grand American. At the Arkansas State Shoot in 2024, he bested every in-state shooter during the Remington Handicap with a score of 97. Afterward, several older people congratulated him on the accomplishment. For a senior veteran to win like that, Sam said it was "something special." He also boasts several trophies from the Grand American. "I'm very proud of them," Sam said.

Sam is a certified NRA Shotgun Instructor. He's a two-time veteran and three-time senior veteran member of the Arkansas State Team. Sam loves having his picture taken with the state team. "All of them are great shooters. There's nothing like standing up there with folks who know what they're doing," Sam said.

Before shooting became a prominent endeavor, Sam spent nearly 30 years working for The Quaker Oats Company. He retired in 2001 as the Director of Grain Research and Development. Now, at 82, Sam's goal is to continue shooting as long as he can.

Sam acknowledges all the friends he has made over the years and wants to give special thanks to Gary Phipps, his mentor. "Winning trophies is not the most important part of trap shooting. The nice and interesting people you meet and the friends you make along the way are the most valuable part of this sport", Sam said. He also wants to thank his wife, Carolan, for her unwavering support.
