

The Grapevine

Greetings in the Name of Christ!

The year is now in full swing, and I pray that you are doing well. There are some really fun activities planned for this month that I want to make you aware of. First, we have begun planning our VBS for this summer, and we are in need of volunteers. The more the merrier so if you would like to be a part of this valuable outreach, please contact me or Hilary Mungle. This year's theme will be Shipwrecked. It should be a lot of fun.

On February 10 following worship, we will be having a Valentine Chili Cook-off. The UMW will be accepting donations that they will use for the various ministries they are involved in. I might add that it is not just chili, but also soup. I am anxious to see who in our church can out do the others. This should prove to be a good time of food, fun and fellowship. I hope to see all of you here.

On February 23 from 6-8 pm, we will be having our first ever Holy Mocha Night. This will feature different types of coffees and espressos, and we will have a local band, Southern Revival, providing live entertainment. There will be a love offering jar in place that will go towards the ministries of the church. Again, I hope to see you all here and I am excited to see what will come of it.

There is bound to be more things to come up in February, so stay in touch with us because we don't want you to miss anything.

Loving Those That God
Sends to Us.

Grace and Peace,
Pastor Ted

A Little Push

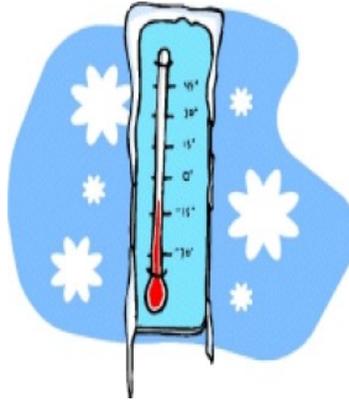

I was sitting in my car the other day when an old clunker stalled nearby. The driver was unable to start the old car and traffic quickly started backing up behind him. Horns sounded and angry drivers shouted their unpleasant words at the embarrassed man. After a while, cars began to pull around the old car. Finally, one person drove up behind the stalled vehicle and gave it a push. Soon it began moving under its own power and traffic got underway again.

How like life that is! Someone is halted by circumstances. Most people shout their disgust at the unfortunate person and leave him to his fate. All he really needs is a little push to get started again.

Just as in any church, we have a few "stalled vehicles" who need a little push to get on the move again. If you know of someone who is losing interest in the church, or someone who is mired up to their axles in personal problems, offer them a little encouragement.

HELPFUL TIPS...

We have had some cold weather lately. Remember to bring your pets inside and feed them canned food when it's cold, it helps them stay warmer.

Also, if you need a coat or know someone who does, our thrift shop has a large selection of nice winter coats!

Please remember to save these items for donation to the Ronald McDonald House and our local Warrington Elementary School... it really does make a difference!
