

## *The Grapevine*

Greetings in the Name of Christ!

Summertime is upon us! School is out which means that the streets and parks are full of children doing their best to enjoy their youth. This also means that as a church we have to work extra hard to reach these kids for Christ. If you are looking for ways to get involved, there are plenty of things that can be done. Take Missions Team for example. Our Missions Team is in its early stages of development, but there are signs that this will be an outstanding endeavor. Both in our local elementary school and closer to the church our Missions Team is getting set to take action. I encourage you to get involved. Any time we can put a smile on a child's face, Jesus is smiling down on us.

During the months of June and July the choir will be on a break learning new music to be sung later in the year. This is going to be a very busy time for Twinette as she works to help our choir to be all they can be. If you want to make a joyful noise, let me encourage you to come on out on Wednesday evenings at 6:00 p.m. for rehearsal. Also let me point out that during the month of June we will be singing gospel hymns during worship and in the month of July we will be singing some contemporary music. We look forward to special music as well as some hymn requests being taken on various Sundays. Keep your ears tuned.

Lastly, Father's Day falls in the month of June. Let us remember to celebrate dads of every variety. The old saying goes, "anyone can be a father, but it takes someone special to be a daddy." If you are lucky enough to have had a daddy in your life, and he is still with you, take the time to reach out to him and let him know you love him.

Loving Those Who God Sends to Us.

Grace and Peace,

Pastor Ted
