POSTLUDE:

We invite you to stand during the singing of hymns.

Please take a moment to consider the message God may be giving you today through worship and your response to that message. If you wish to commit or recommit your life to Christ, or if you wish to unite with this fellowship of believers, please come forward during the closing hymn.

Welcome everyone, as we continue to return to Worship in the Sanctuary, let us all remember our social distancing practices. We would like to remind everyone to enter and exit the church through the Sanctuary front doors only. We have masks available, if you would like one please ask. Please use the hand sanitizer and place your tithe in the offering plate provided. No more than two people in the restroom at anytime. All other areas of the church remain closed at this time. God bless you and thank you for your help and support in keeping everyone safe.

Day*
