

Greetings in the Name of Christ!

Lent is now upon us and we continue to do the things that we do best. Our missions team is still hard at work at Warrington Elementary. This month we provided the book, "Who Was Harriet Tubman" to the third and fifth grade students. It was a joy to be accompanied by Dr. Cheryl Howard from the African American Heritage Society to make the presentation.

This month we will be selling St Louis Style ribs for delivery on the 21<sup>st</sup>. A whole slab of ribs will be sold for \$25.00. Some of you will enjoy purchasing them to donate so that we can feed the homeless at the same time. A good time will be had and if you are interested in finding out how you can help please call the office and let us know. If you are interested in joining the missions team, contact either myself or Beverly Beck and we will help you to feel welcome in doing so.

I ask that you continue to be in prayer for the 2020 General Conference that takes place in May from the 5<sup>th</sup> through the 15<sup>th</sup>. There are many pieces of legislation being brought for consideration that concern all of us. It is very important that you be in worship with your church as often as you can as there will be announcements and meetings and other information that will help all of us to stay informed. It is so important for us to continue to be the church that we are right here in Warrington. Your presence counts!

If you have a special memory you would like to share, you can email it to the church, write it down and bring it in, or speak to Becky Hiller . We are thinking ahead to get ideas and projects together prior to the actual planning stage. Stay tuned for more updates.
