

I SOUGHT
ROUTE 66
I FOUND

11 years completed in the MIAC serving young men in search of the TRUTH. The Truth is the Truth no matter the person, generation, political beliefs or the culture you grew up in. What we do with the Truth of Jesus Christ is all that matters. Mariana says to me often, **"I envy your position; young men willingly come to meet with you about Jesus and seek answers to their questions biblically every week."** It's easy to forget about the privilege and honor it is to serve Christ in this way. Mariana gets a great boost out of what God has called me to do in sharing Christ (**my greatest supporter**). Since coming into my life, many players and different schools have met her and have asked her to come back again and again. They love her insight and wisdom and perspective on Biblical things and in life growing up in a communist country as a Christ follower. Her ability to encourage and teach these young men is a value I can't begin to put into words. Thank you Dear!

Quick update on the chapel season. I served 5 MIAC teams, Augsburg, Bethel, Hamline, St John's and St Mary's University. Chapels just finished officially April 23rd and still meeting with a few players through the beginning of May. This summer will be filled with Car show events, MIAC hockey golf fundraisers, and meeting with chapel Alumni. Once again **WE THANK YOU FOR YOUR INCREDIBLE SUPPORT AND PARTNERSHIP WITH US!**

**AUGSBURG UNIVERSITY AUGGIES
4 IN A ROW MIAC PLAYOFF CHAMPIONS**

After a tough hard fought 4 Overtime game between Augsburg and St John's; Augsburg edged out the Johnnies 2-1 en route to their 4th in a row playoff championship, never done in the MIAC. A few of the players with me, along with one of the schools custodian's who also attends chapel with the guys gathers for prayer to give thanks to the Lord for the abilities he has given them. Young men unafraid to give praise to their Lord and Savior. This is why we serve, for these moments and many other's. You are a HUGE part of this. We THANK YOU and the players THANK YOU! Without you sending us these moments simply don't happen.

To God be the Glory!
In His Grip, Max and Mariana
