Dear Fellow City Court Judges,

We are again facing critical challenges. Budget cuts, layoffs, and furloughs are looming. Implementation of new bail, discovery, speedy trial, and landlord-tenant laws are being promulgated. These are critical times for you and your Association. Your Association is your seat at the table before the Legislature and OCA. We will again be lobbying the legislative leaders in Albany to make sure our concerns are heard. We have developed a good reputation with OCA and the Legislature so that our concerns are seriously considered.

We have been challenged by the new reality. We adapted and overcame. While we were forced to defer our annual meeting, we were able to hold a video annual meeting.

In these critical times, your Association is more important than ever and you are important to your Association. I urge you to promptly return the attached enclosed membership information sheet together with your \$100 annual dues to our Secretary/Treasurer so that your association can continue to work on your behalf. In the past, every paid member was entitled to reimbursement of up to \$100 for unreimbursed expenses in connection with our annual meeting. So, if you attend our annual meeting, you will likely get the \$100 back!

Our annual meeting for 2021 is scheduled for September 26 - 28 at the Mirror Lake Inn in Lake Placid. Check out their website at [www.mirrorlakeinn.com](http://www.mirrorlakeinn.com) to see all the amenities. I hope to see you all there in person and healthy.

Make sure to regularly visit our website at [www.NYSACCJ.org](http://www.NYSACCJ.org).
