The following ATLL 2025 Special Rules for Intermediate supplement those contained in the 2025 Little League Official Regulations and Playing Rules (available through the Little League Rulebook App.)

- Rulebook App. The Little League Rulebook App is free and contains the Official Regulations, Playing Rules, and Operating Policies for all divisions of Baseball, Softball, and Challenger in one easy-to-use location. Download on the Apple App Store or Google Play Store. Teams are also encouraged to download and utilize the functions provided on the GameChanger App.
- Regulation Game. A regulation game shall consist of a minimum of five (5) complete innings, and shall not exceed seven (7) innings. However, no new inning shall start after **2 hours** have elapsed.
- Pledge. Before the start of the game, the teams will line-up on the 1st and 3rd base lines will remain safely distanced while the Pledge of Allegiance & Little League Pledge are recited.
- Hand Shake – At the conclusion of the game, each team will line up and shake hands as a sign of sportsmanship.

- Continuous Batting. All players on each team shall bat in continuous rotation. No changes in batting order shall be made as a result of field substitution.
- Bats. Bats used in Little League Intermediate games must either:
  - be marked with a USA Baseball sticker on the bat; or
  - be approved and appropriately certified using the BBCOR standard, be so labeled with a silkscreen or other permanent certification mark.
  - For detailed information on the Little League bat standards go here: <http://www.littleleague.org/learn/equipment/baseballbatinfo/USA-Baseball-Bat-Standard-FAQs.htm>

- Leading Off. Leading off base is allowed.
- Base Stealing. “Straight steals” are allowed in Intermediate.
- Courtesy Runner. A team may use a courtesy runner for its catcher and/or pitcher of record when there are two outs. A pitcher who is otherwise eligible to continue pitching may do so after being substituted for a courtesy runner. The player used as the runner must be the one who made the last batted out.
- Umpire. Umpires will be provided through ATLL’s Umpire partnership program.
- Infield Fly Rule. In effect.
- Base Distance. The base distance will be 70 feet.

- Managers and Coaches Entering Field of Play. Except when serving as on-field first or third base coaches, managers and coaches shall ask and be granted permission of an umpire before entering the field of play for any reason, including when conducting a defensive or offensive conference or when consulting with an umpire regarding a ruling. No more than one manager or coach from a team may enter the field of play when conducting a defensive or offensive conference or when consulting with an umpire regarding a ruling. Similarly, on-field coaches shall ask and be granted permission of an umpire before leaving the first or third coaching boxes during an inning.
- Offensive Interference/"Throwing the Bat". Umpires shall have broad discretion to call offensive interference in instances of batters "throwing the bat" to promote the safety of all participants. In the umpire's discretion this may include the issuance of warnings or the declaration of the batter or batter-runner out. In general, the issuance of a warning to a batter or batter-runner is appropriate on a first offense. In general, the declaration of the same batter or batter-runner out is appropriate on a second offense.
- Spectator Seating. Umpires shall have broad discretion to control the placement and seating of spectators. Spectators shall not position themselves directly behind the backstop, nor shall they interfere with, or attempt to influence, the calling of balls and strikes.
- Ten Run Rule. If after five innings (four and one-half innings if the home team is ahead), one team has a lead of ten runs or more, the manager of the team with the least runs shall concede the victory to the opponent.
- Rescheduling of Games. A game that is not started due to weather or other cause shall be rescheduled. The home team manager is responsible to promptly contact the Umpire Coordinator upon the decision to cancel, as well as the Field Coordinator to have the game rescheduled, and to coordinate the revised game time with the visiting team's manager.

## **PITCHING**

Pitchers of the listed league ages (age as of May 1st) must adhere to the following pitch counts and calendar days of rest:

### **Pitching Summary**

<b>Age</b>	<b>Maximum Pitches</b>
11-12	85
13	95

<b>Pitches</b>	<b>Days Rest</b>
Over 66	4
51-65	3
36-50	2
21—35	1
Under 20	none

If a pitcher reaches his pitch count in the middle of an at-bat, the pitcher is permitted to continue pitching until that at-bat is complete. Any “extra” pitches are counted toward that player’s pitch count and shall be factored into the calculation of the required days of rest for that player.

A player once removed from the position of pitcher during a game may not return as a pitcher.

A pitcher who delivers forty-one or more pitches in a game cannot play the position of catcher for the remainder of that day.

Any player, who has played the position of catcher in four (4) or more innings (or any parts of four innings) in a game, is not eligible to pitch on that calendar day. A player who played the position of catcher for three (3) innings or less, moves to the pitcher position, and delivers 21 pitches or more in the same day, may not return to the catcher position on that calendar day. If, however, the player reaches the 20-pitch threshold during an at-bat, the pitcher may finish the at bat and return to the catcher position.

Balks are enforced in Intermediate. Upon a first offense per pitcher, the Umpire shall give a warning and have the pitcher start his/her motion over again (letting the pitcher know the infraction). Upon a second offense, the Umpire shall call a balk.

When a pitcher takes his position at the beginning of each inning he shall be permitted to pitch no more than eight preparatory pitches which shall consume no more than one minute of time.

A manager/coach is allowed to visit with a pitcher “at the mound” three (3) times in an inning (a pitching change must occur on the third visit).

While fielding their position (whether during a game, practice or other ATLL-affiliated activity), all pitchers must wear a protective helmet. To be in compliance with this rule, players must wear either (1) one of the helmets provided to the team by ATLL, or (2) a helmet substantially similar to those provided to the team by ATLL, as determined by the umpire (game situations) or manager (practice situations) in his/her sole discretion.
